PLASTIC OCEAN

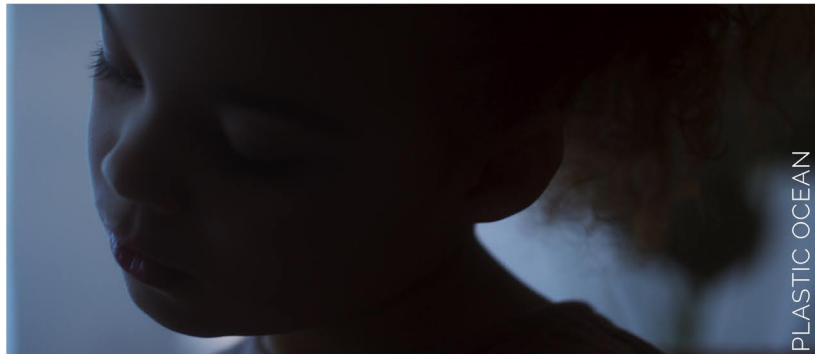

I'm Alejandro,
from Barcelona.

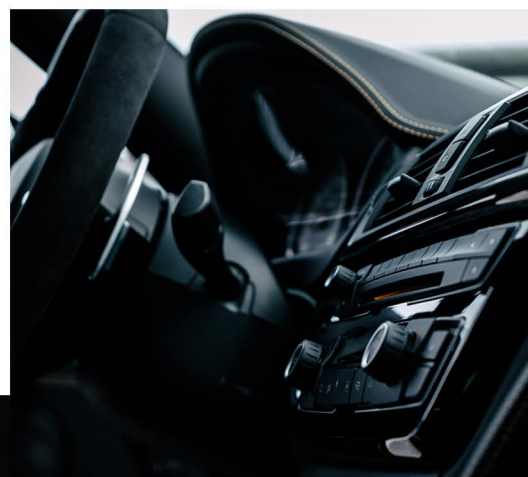

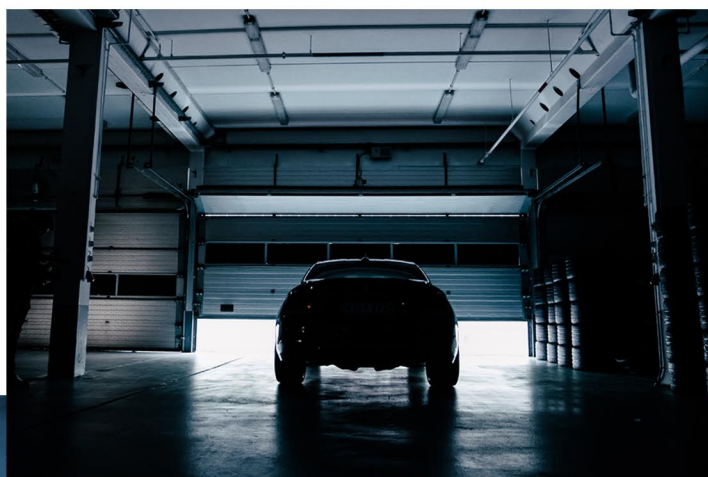

Having studied photography and lighting I spent 1 year working
in a local production company...

I had built thereafter the strong industry foundations that allowed me to move to **Germany**, aged 18, where I kept growing with Saltwater Films for **3 more years as a 1st AC**.

I then started **freelancing a year ago**, working on both personal and commercial projects for a wide variety of brands and agencies.

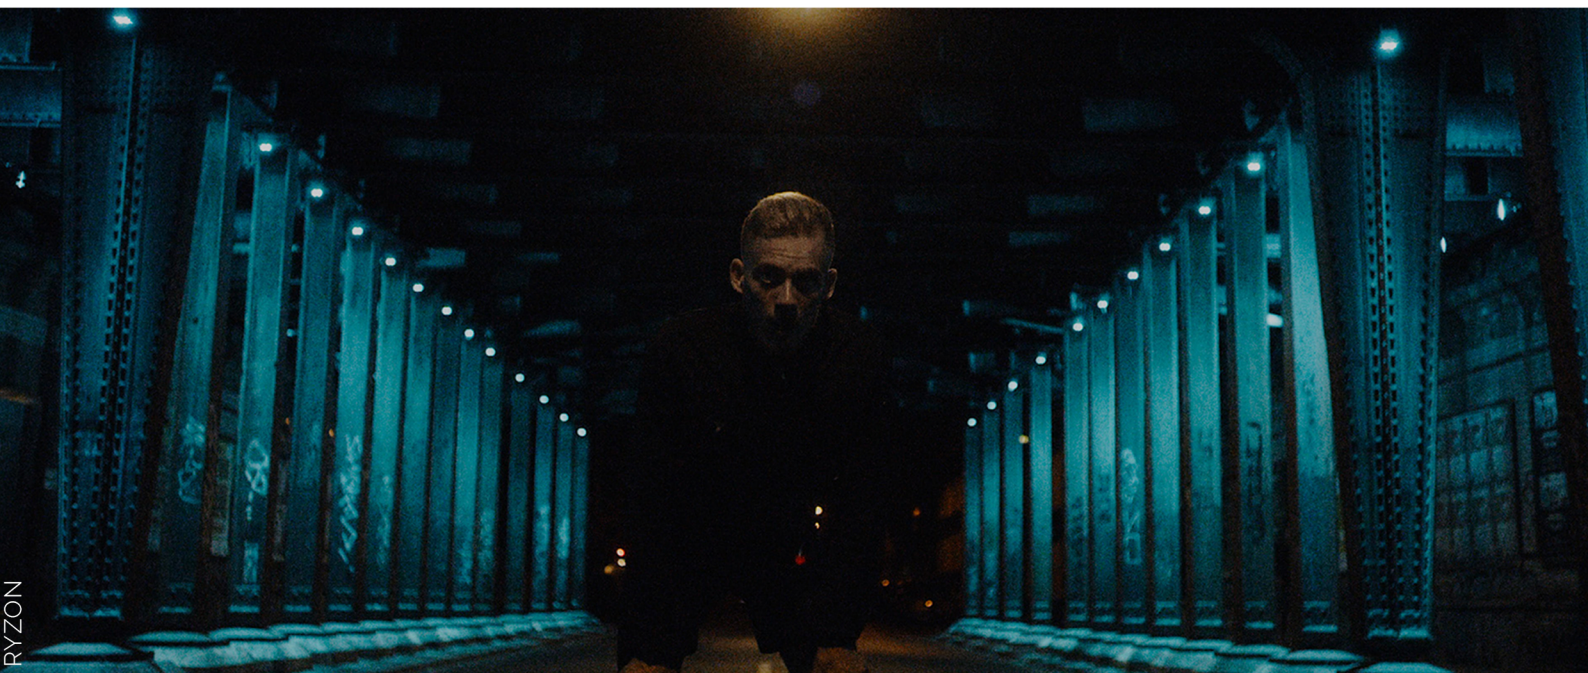

I am **currently looking for upcoming collaborations**, so I thought I'd like to let you know.

JÄGERMEISTER

I'm always **open to join forces**
with creative minds I can work with and -most
importantly- share with and learn from.
