ABOUT

A London-based video editor and camera operator / assistant working on adverts, films, documentaries, music videos, corporate productions and more.

I am a proficient video editor using Adobe Premiere Pro, After Effects, Photoshop, Audition and Illustrator. I also have a vast knowledge of working with Blackmagic, Canon, Sony and Arri cameras as well as a wide range of lighting and sound equipment. I am available to work on site or remotely.

EXPERIENCE

Video Editor | Camera Operator

Callum O'Sullivan Ltd | London | March 2019 - Present

I freelance as a video editor and a camera operator / assistant for various clients, agencies and production companies across London and the UK.

Vertical Productions

Freelance Video Editor | Camera Assistant

Over the past couple years I've worked with Vertical Productions on a variety of projects including ads for Audi, VW, Massey Ferguson and The Cayman Islands.

Redwood London

Freelance Video Editor

I have worked with Redwood on a variety of projects for their clients. These include editing the 2019 Virgin BAFTA Highlights Film, editing multiple videos for Dulux and most recently editing videos for the 2020 BAFTA's and VFestival.

Prince of Wales

Freelance Video Editor | Camera Operator

I have created a number of videos for POW's website and their social pages, including promotional films for the pub, club, rooftop bar and their sister club Phase.

Zone Digital

Freelance Video Editor

I worked with Zone on projects for Guide Dogs' social media pages and internal films for Matalan.

Mini Mammoth Films

Freelance Camera Operator

I was a camera operator on a shoot for the National Pubwatch about acid and knife attacks in pubs.

4th Wall Productions

Freelance Director of Photography | Video Editor

I have worked with 4th Wall on a number of projects, 'Don't Forget Me' - A short film about a boy becoming his Grandma's full-time carer and most recently 'Between Us' - A short film currently in Post Production.

Junior Content Creator

Havas London | London | October 2017 - March 2019

I Filmed and edited content for a number of brands and agencies within the Havas Group.
