NICHOLAS KERTESZ

producer

+44 7404745750 / nk@nicholaskertesz.com / www.nicholaskertesz.com

Be Picky

Exceptional storybreaker. Meticulous production.
The producer you trust to deliver big stories with flawless execution.

Has your fella 'Been around the Block'?

Producer · Mysteries of the Terracotta Warriors
Netflix, Lion Television, 2024, Budget £2 million

Trailblazing filming in covid-era China, including feature-scale drama and high-stakes actuality.

Producer · Hey You What If?

BBC, Screen Glue, 2021, Budget £100-500k

Oversaw all aspects of ornately complex production, with a focus on seamlessly melding live action and animation.

Assistant Producer · Secret Cities

Smithsonian Channel, Bigger Bang, 2020, Budget £65k

RTS Nominated. Delivered stunning VFX on a minimal budget.

Producer Director · Conspiracies Decoded

Science Channel, Bigger Bang, 2020

Created and scripted jaw-dropping narratives.

Directed local and remote interviews on a demanding timeline.

Producer Director · Earth Hour

World Wildlife Fund, Itza Media, 2019

Developed, shot, and edited viral educational content for online release.

Designed and presented learning challenges to a live audience.

Don't fall for just another Pretty Face
