Testimonial

“ Ed has assisted me on numerous shows over the last few years and in that time stepped up to Assembly Editor and Additional Editor - assembling scenes during the shoot and editing alongside directors, producers and show-runners in the fine cut.

*His assembled scenes on **DERRY GIRLS** showed great taste in performance selection with intuitive cutting rhythm for broadcast comedy. He is as comfortable with dialogue scenes as he is with big set pieces and works fast with multi-camera coverage - recently showing me a wonderful first cut of a dramatic end wedding sequence in **MY LADY JANE** - that hit every story beat and was assembled from hours of footage to select from.*

Ed relishes the fast-paced schedule of HETV, taking notes from execs with openness and ease and executing changes swiftly. His good humour, sensitivity and initiative have always made the edit a happy one.”

Lucien Clayton, Editor (DERRY GIRLS, FRIDAY NIGHT DINNER, VEEP, PEEP SHOW)
