Based in London

As a trainee I fully commit to attending and supporting the camera department while learning from my superiors.

I'm an efficient and attentive individual, a priority of mine is to have a great understanding of what is expected of me.

WANT TO:

- Develop my level of experience working professionally as a trainee and 2nd AC
- Load and unload 16/35mm film
- Further my knowledge of different camera systems and hear viewpoint from my superiors on equipment available
- Grow a worthy moustache
