

VO: There's a new ...

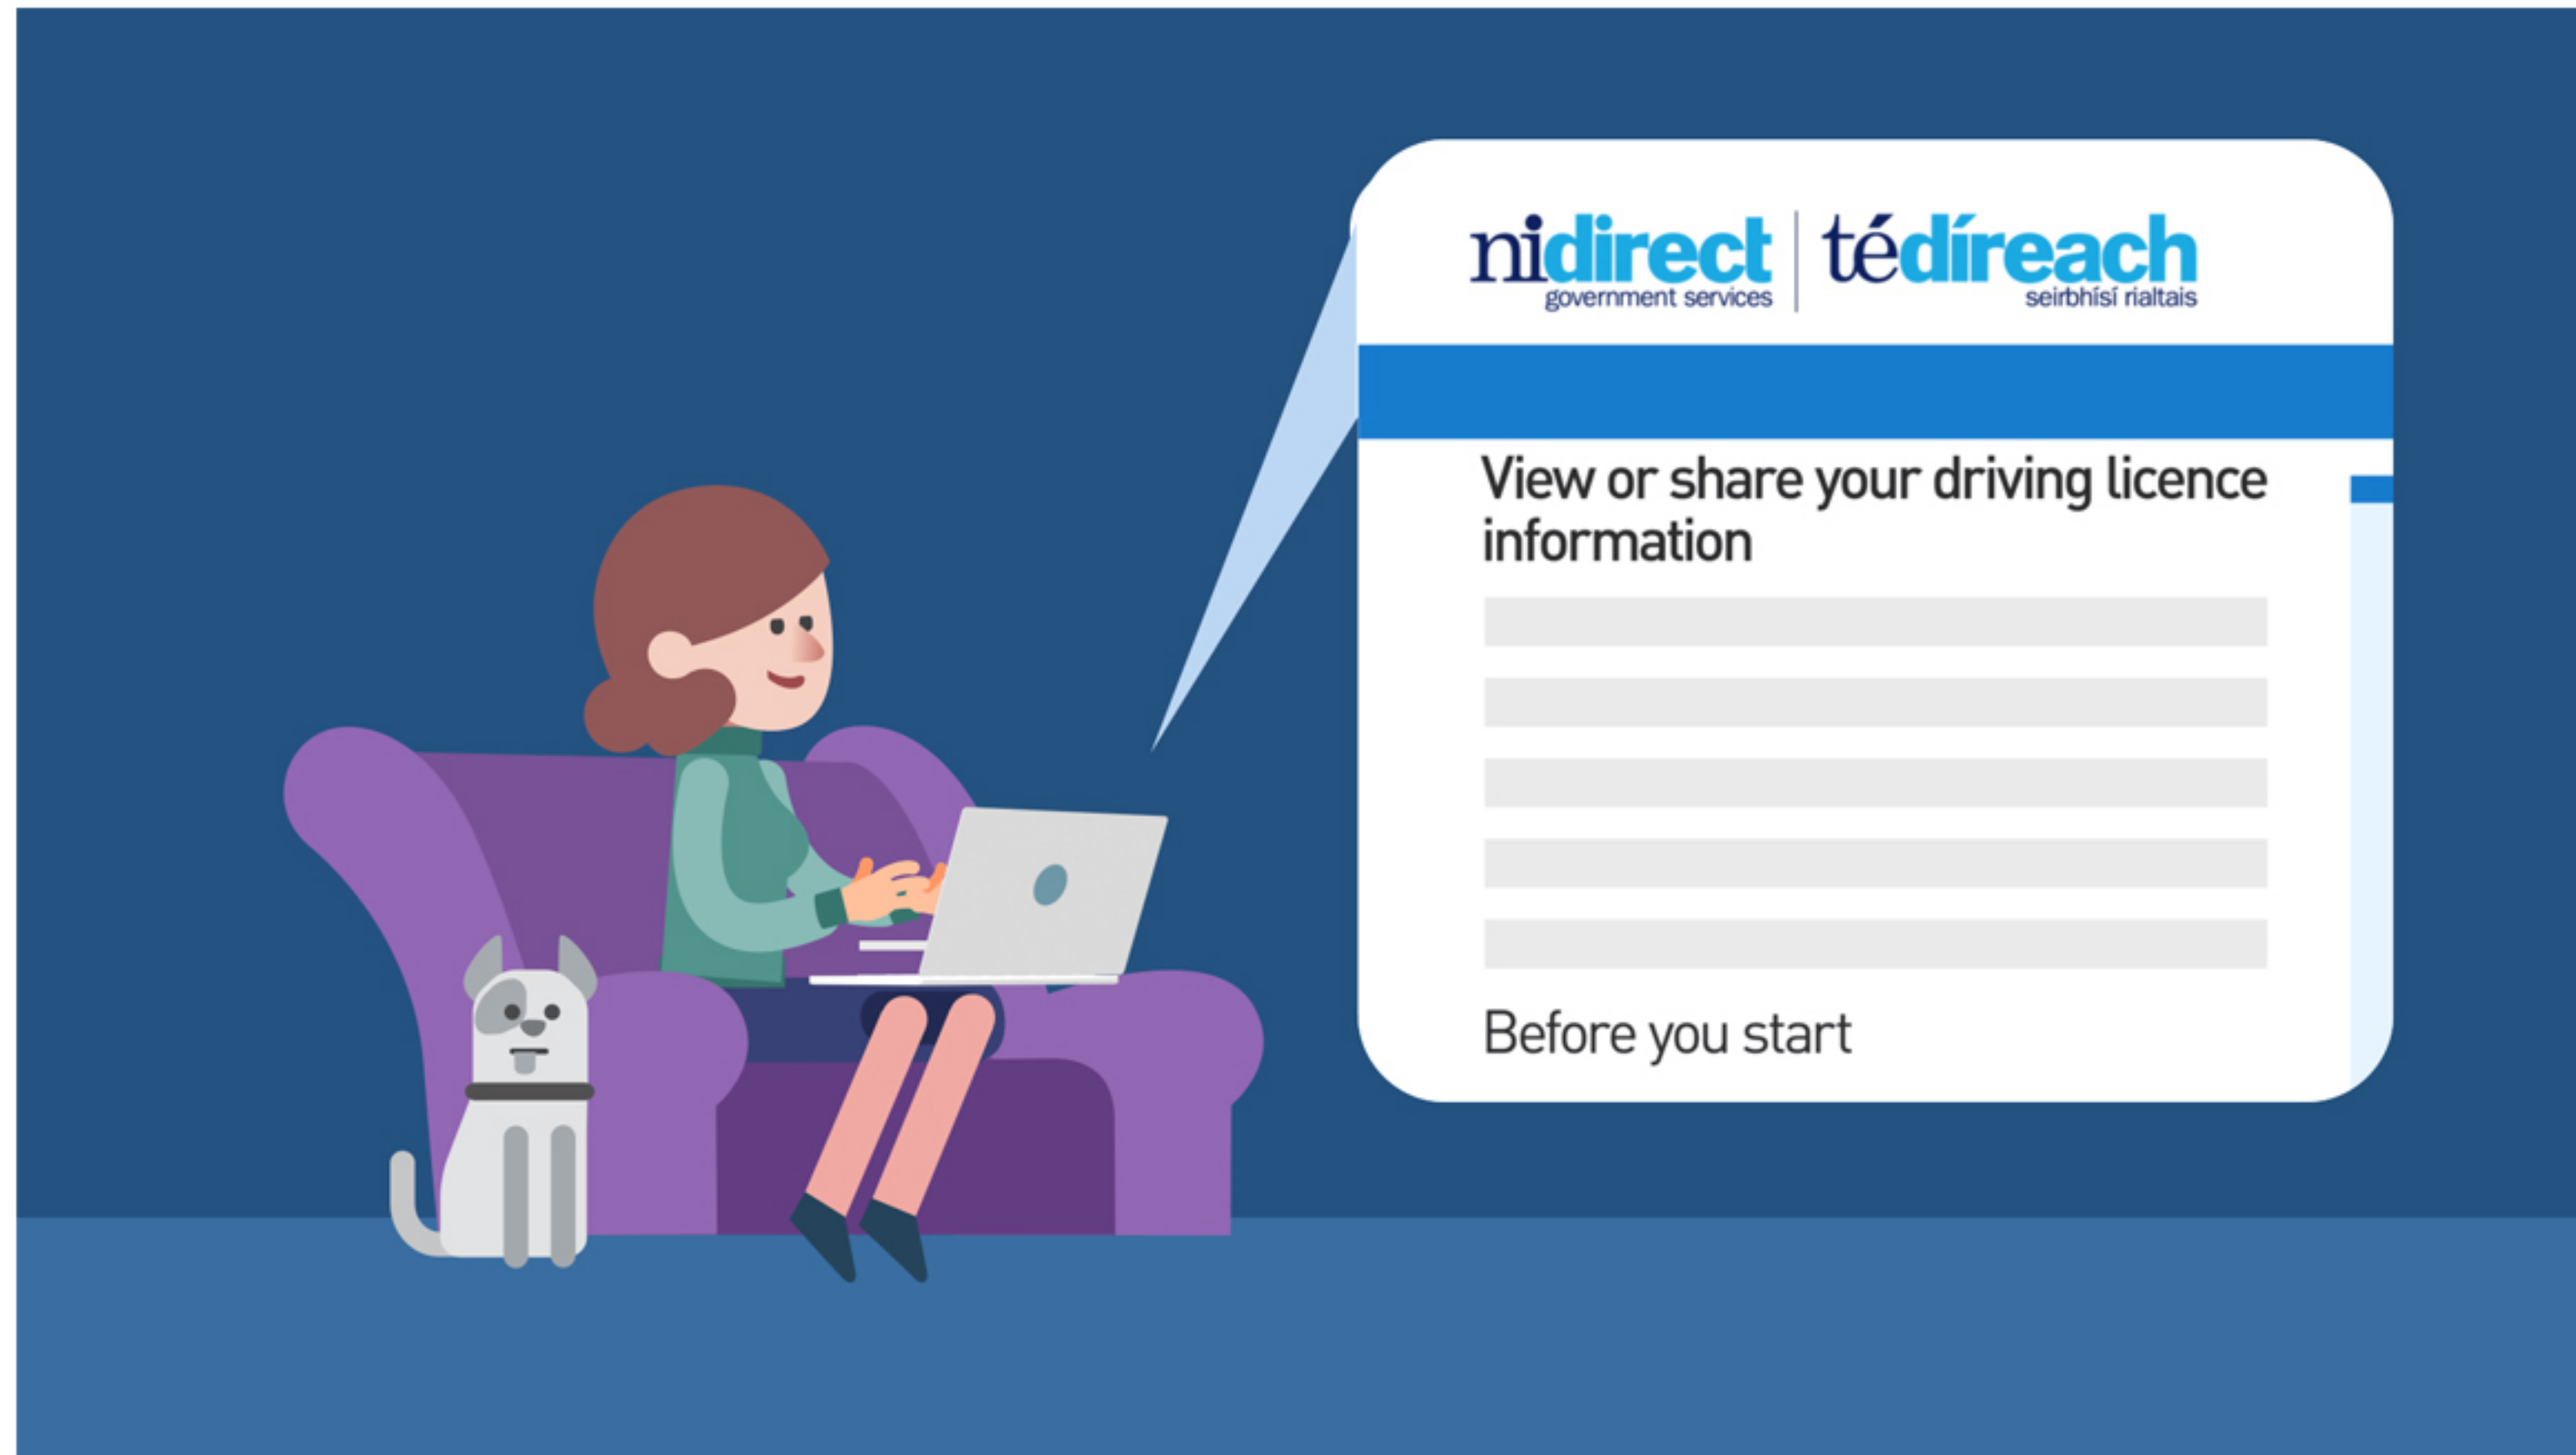

VO: ...and easy way...

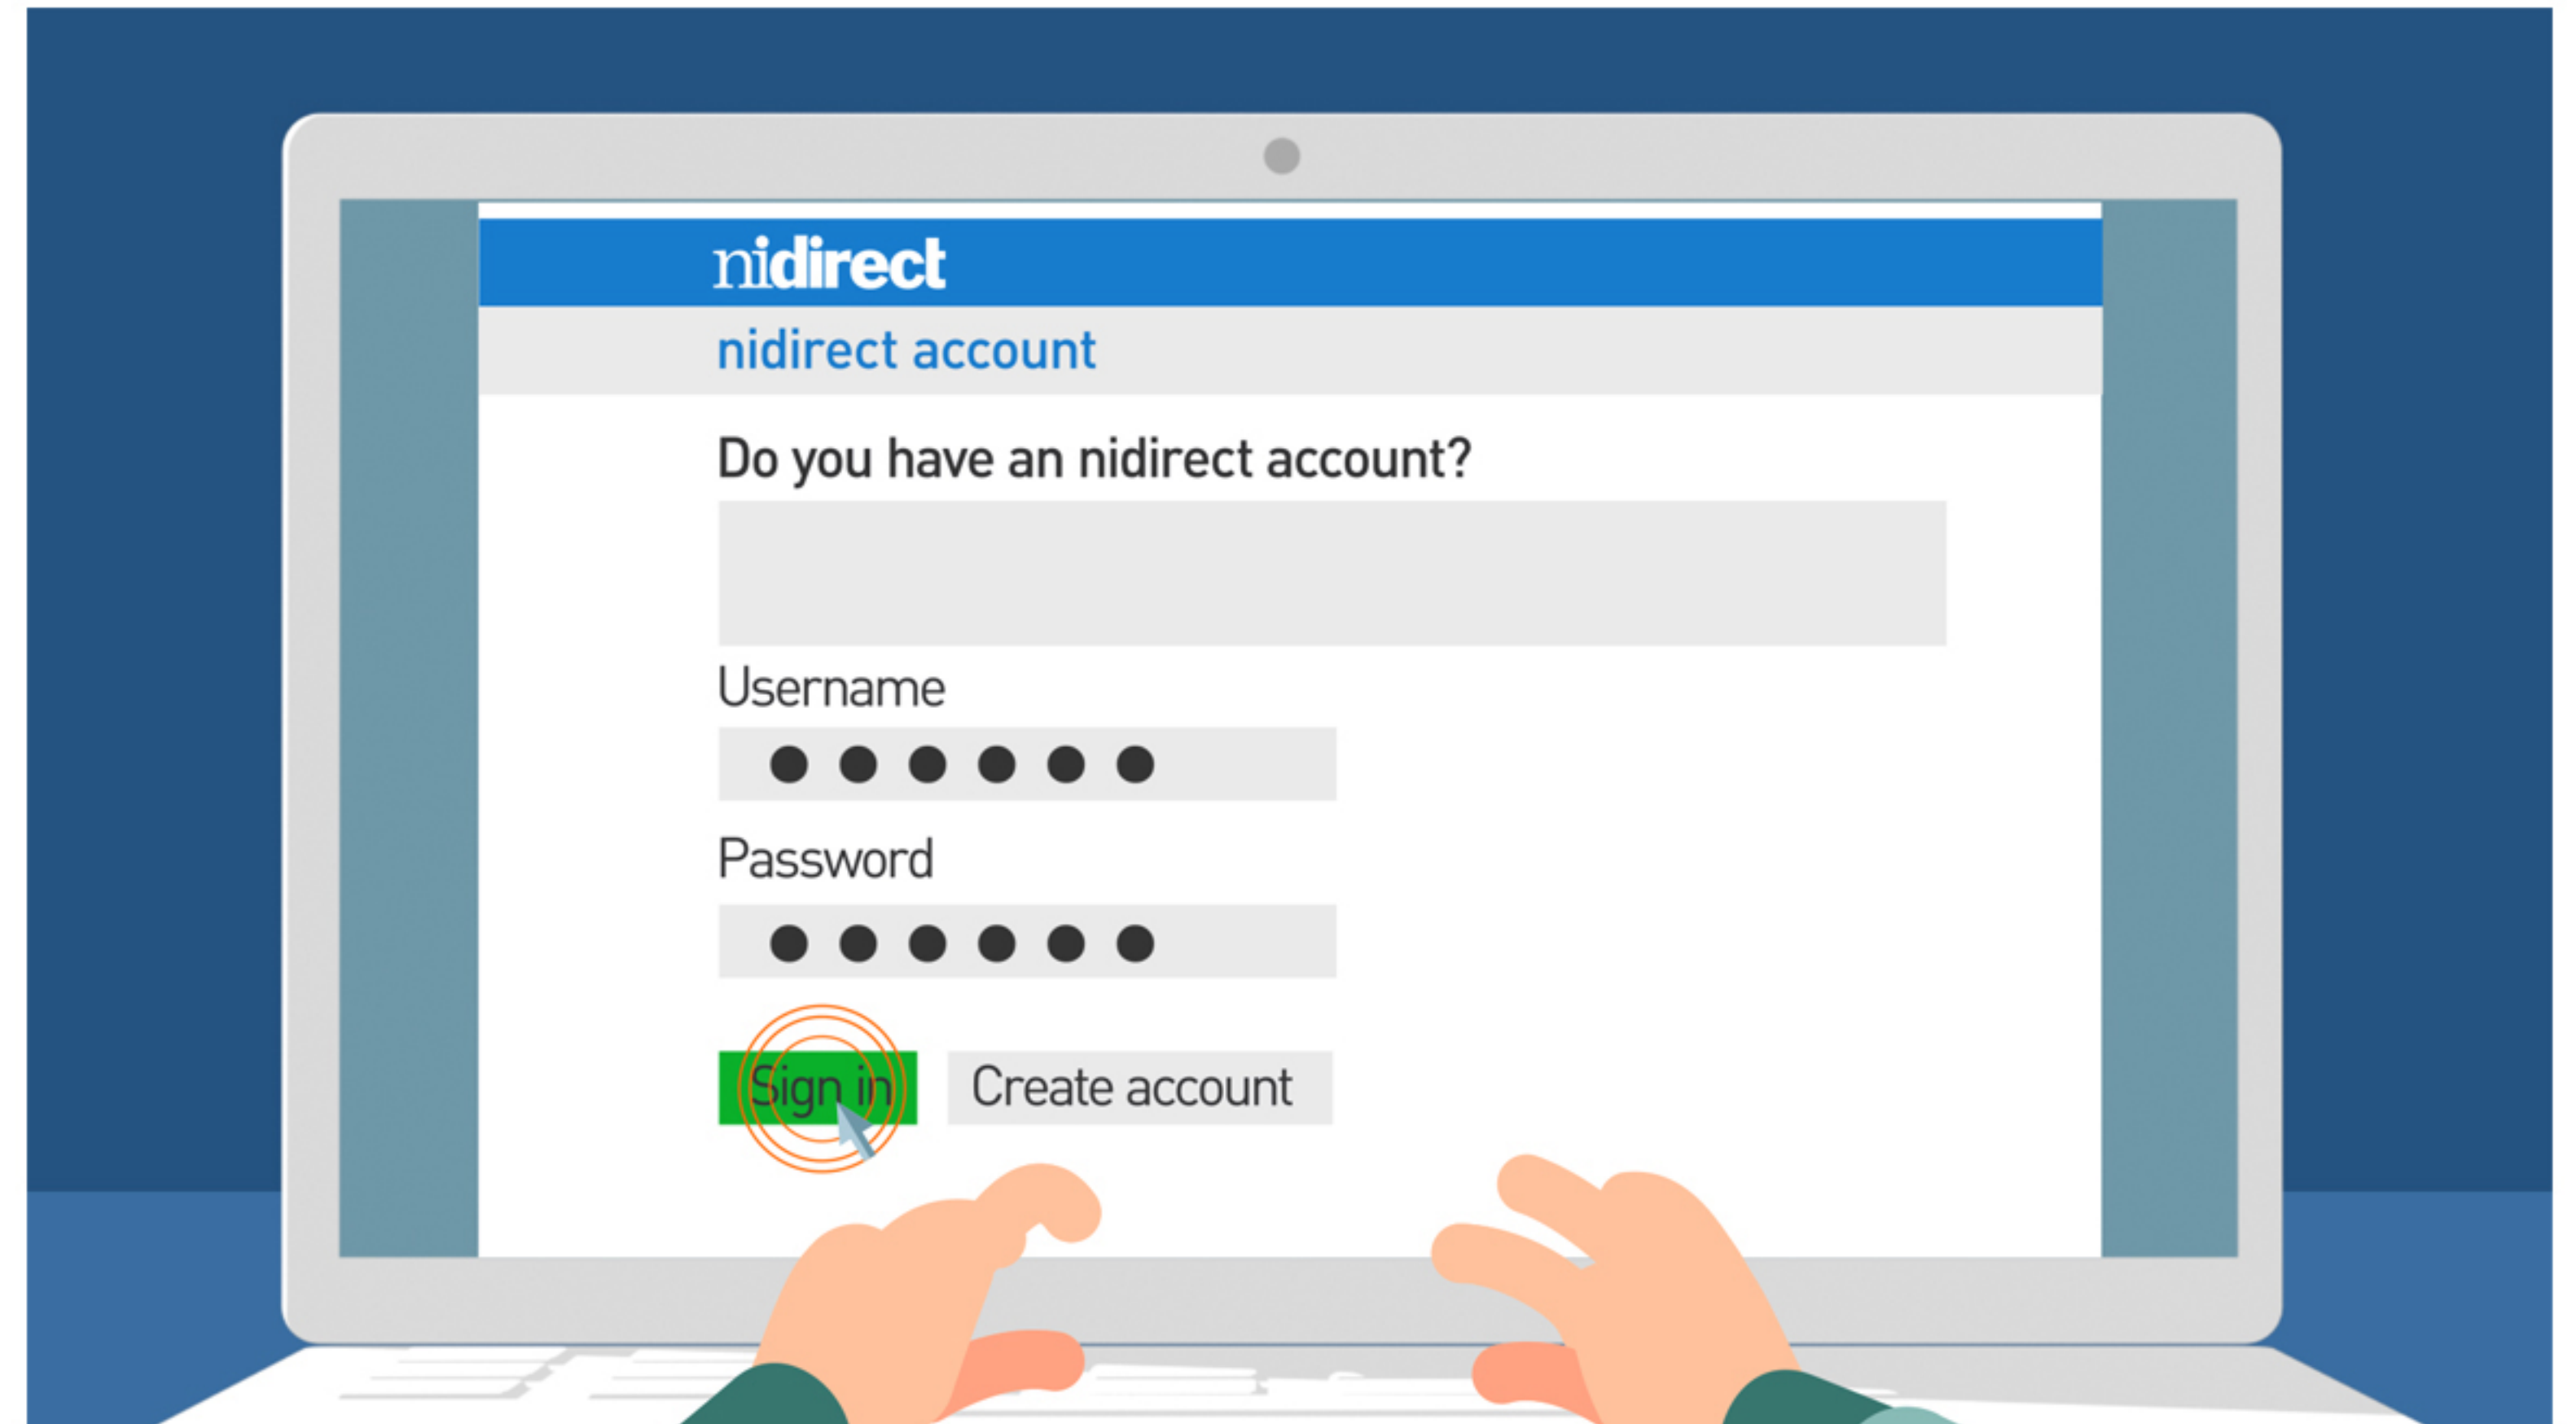

VO: ...to view and share your driving licence details

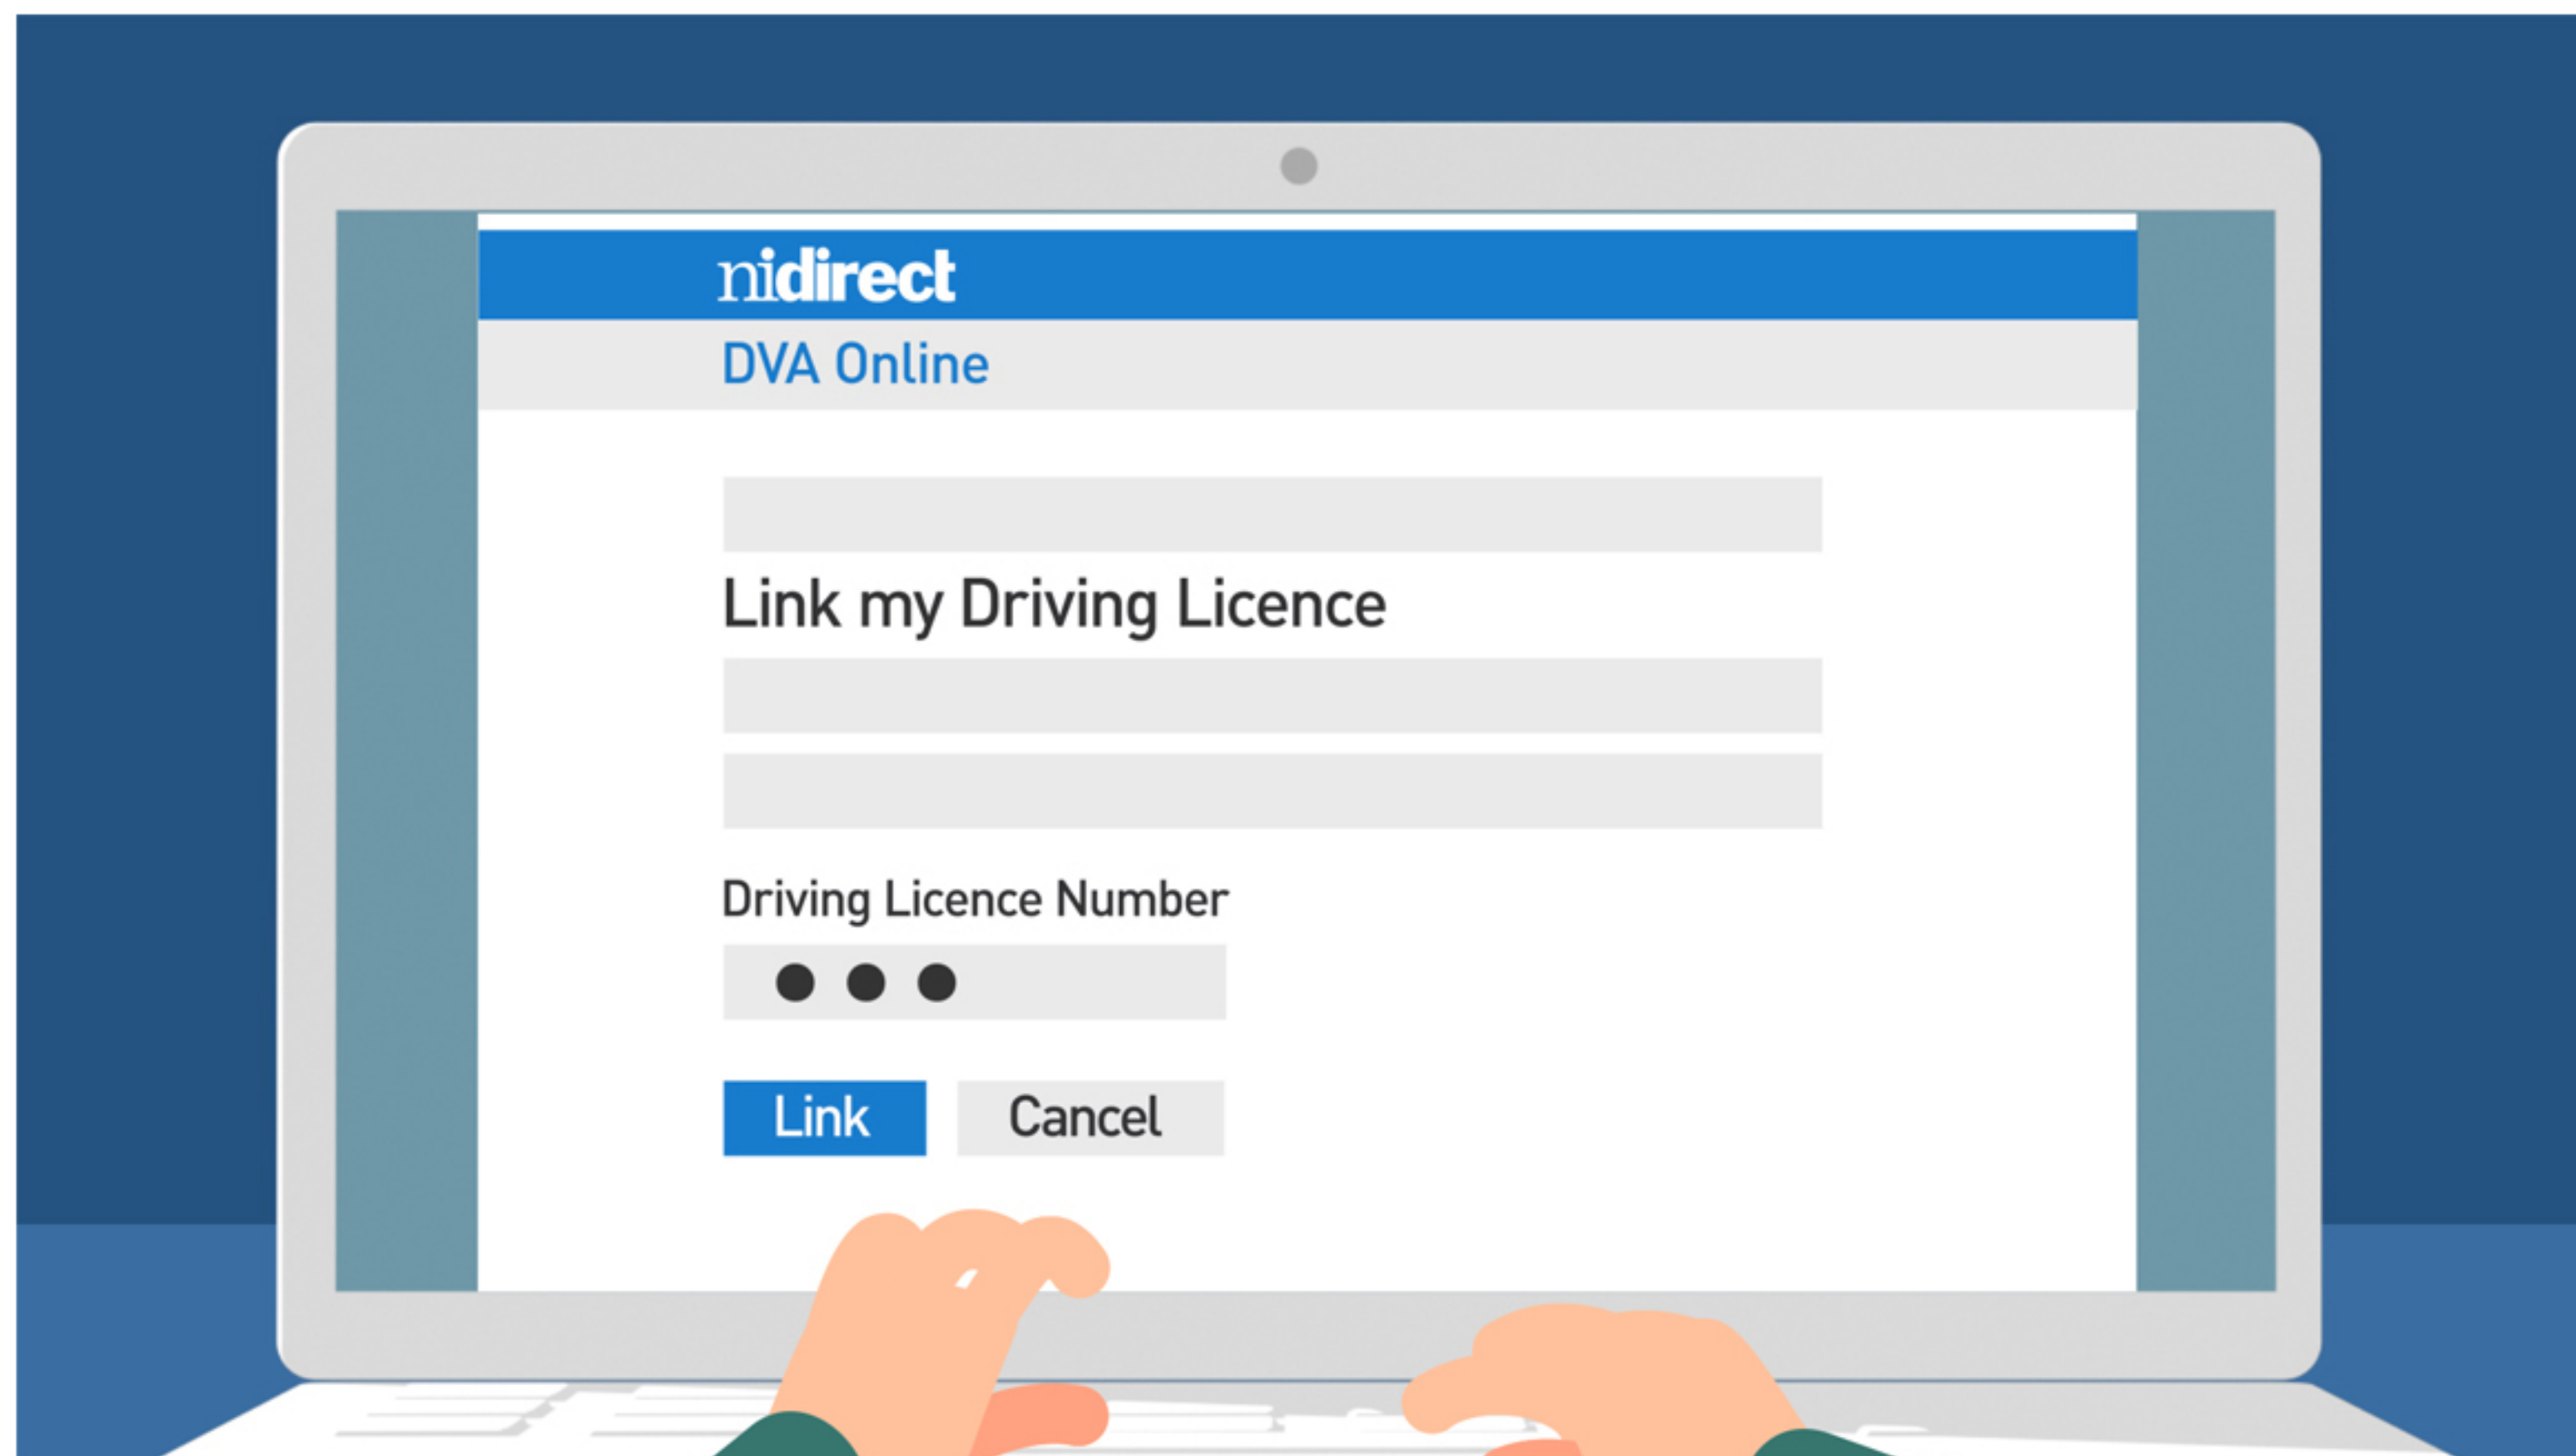

VO: ...with the DVA's new online service.

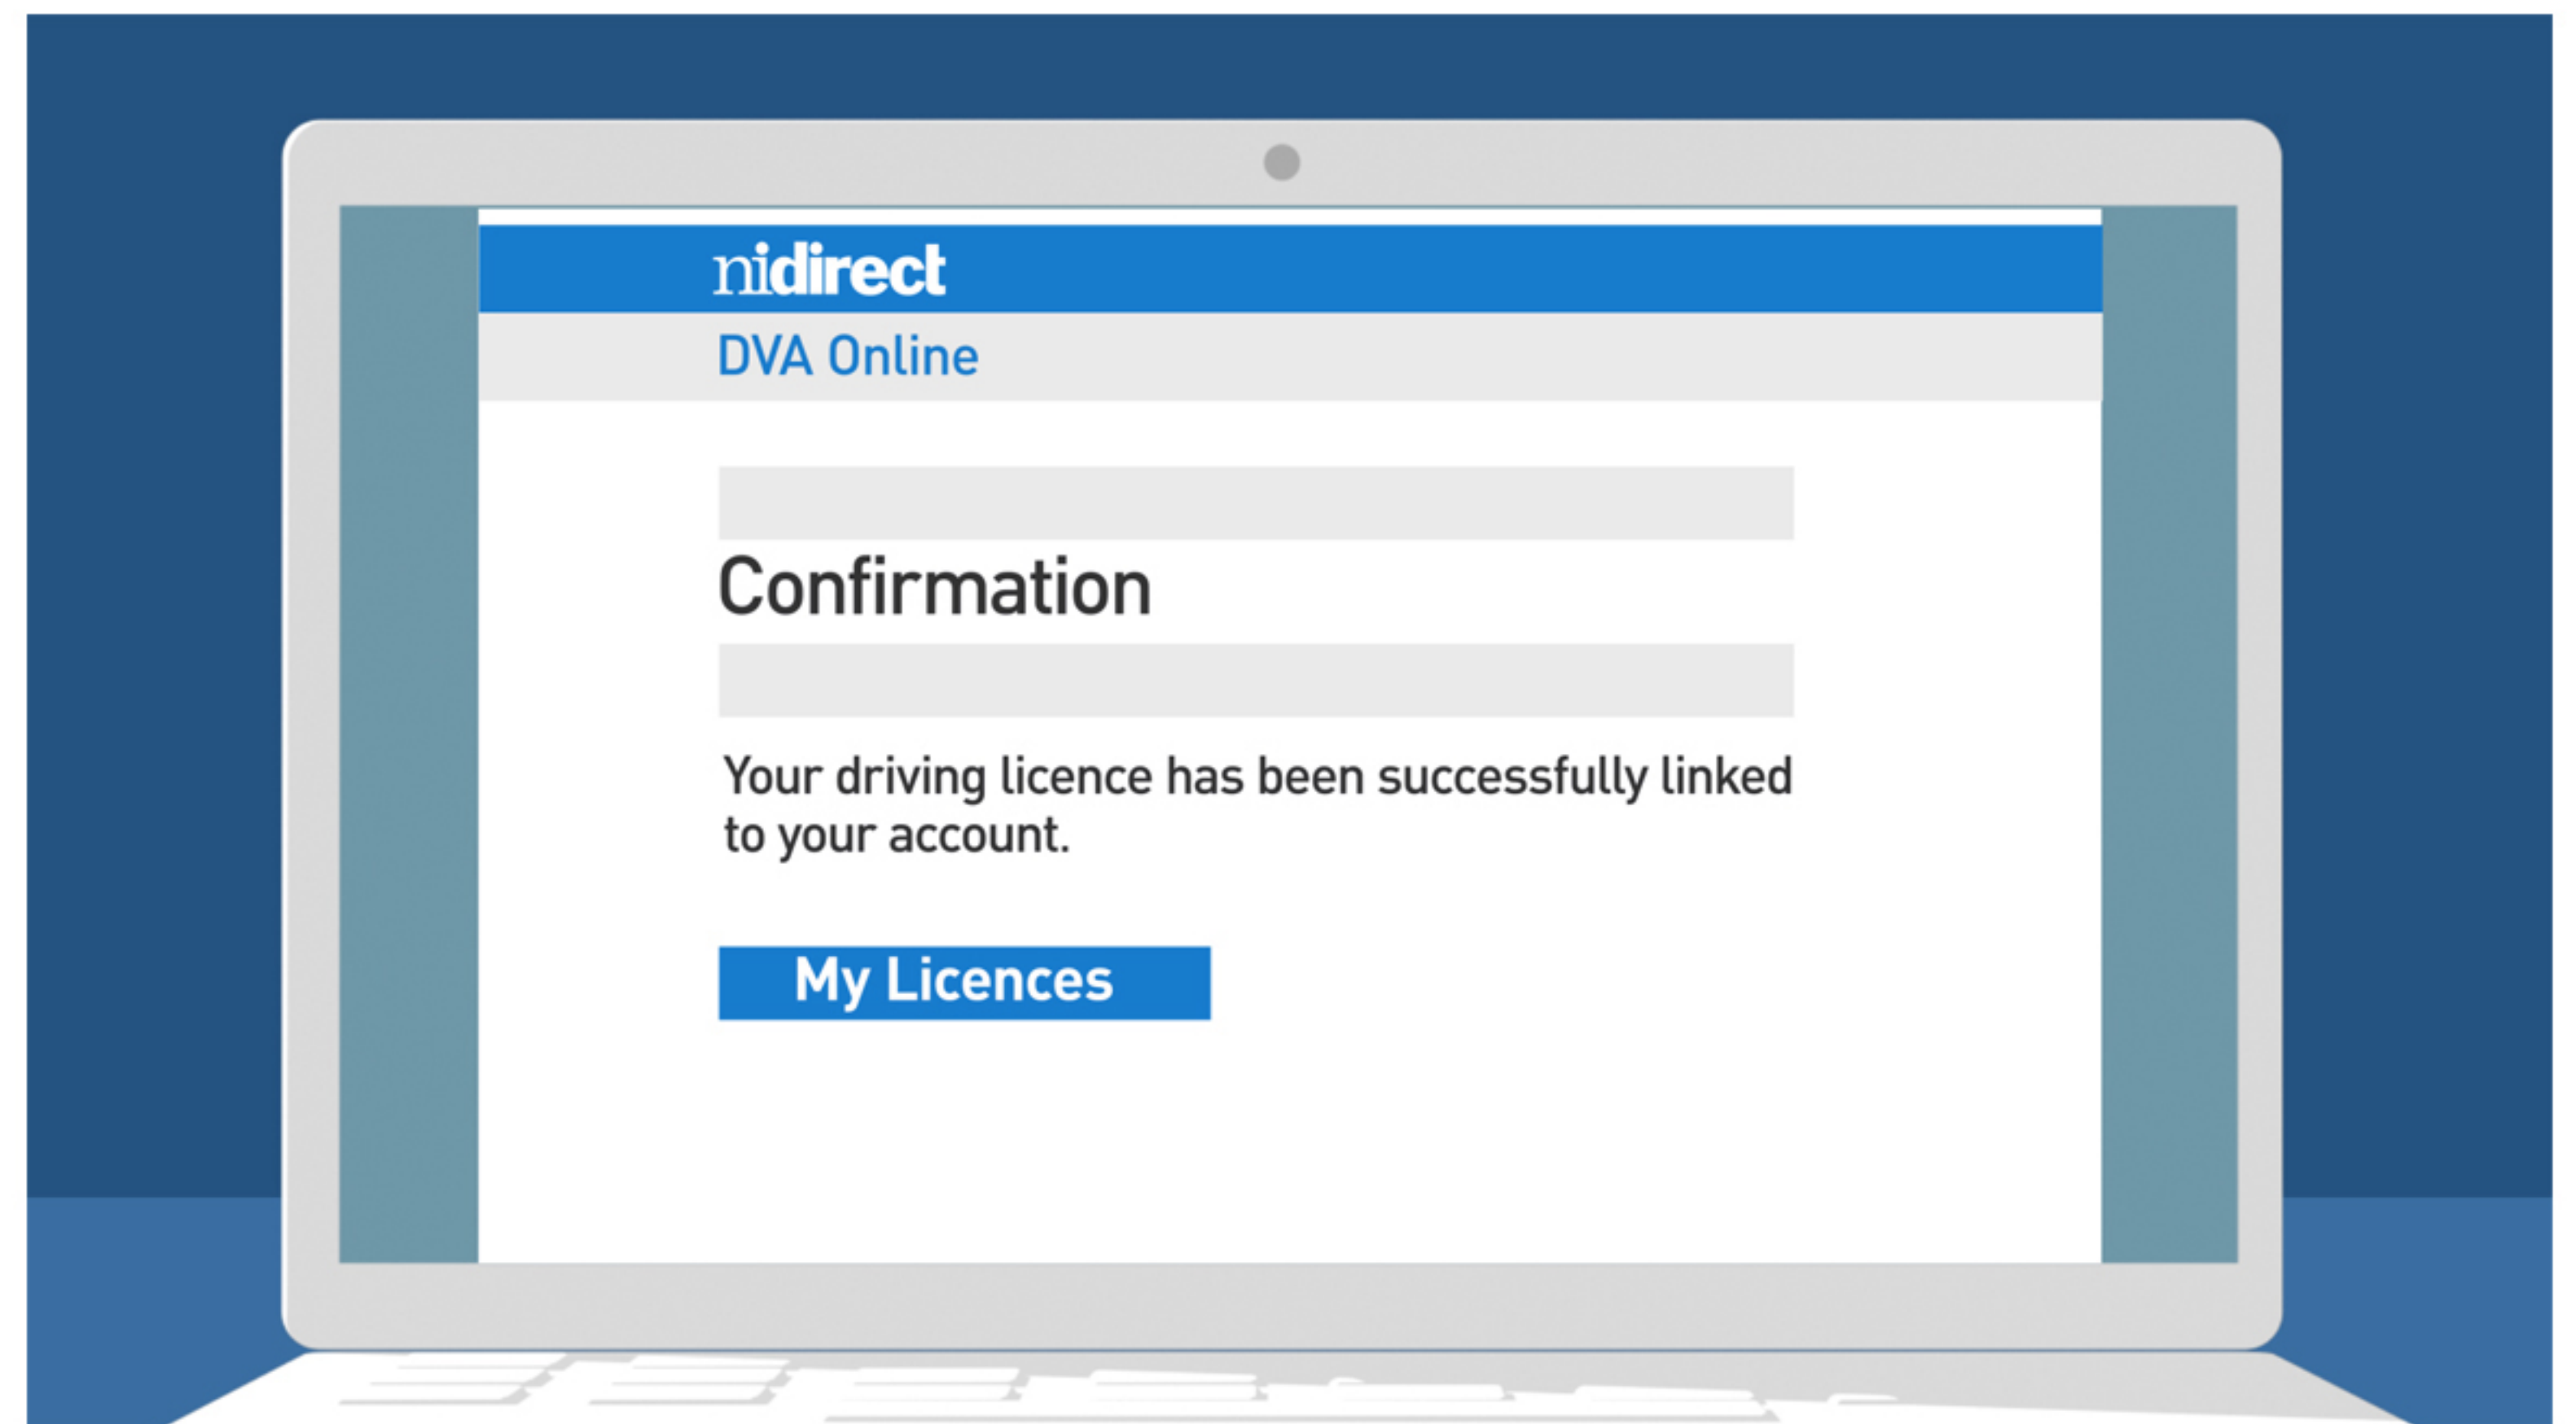

VO: With the View and Share Licence service you can easily and securely upload and view your licence details.

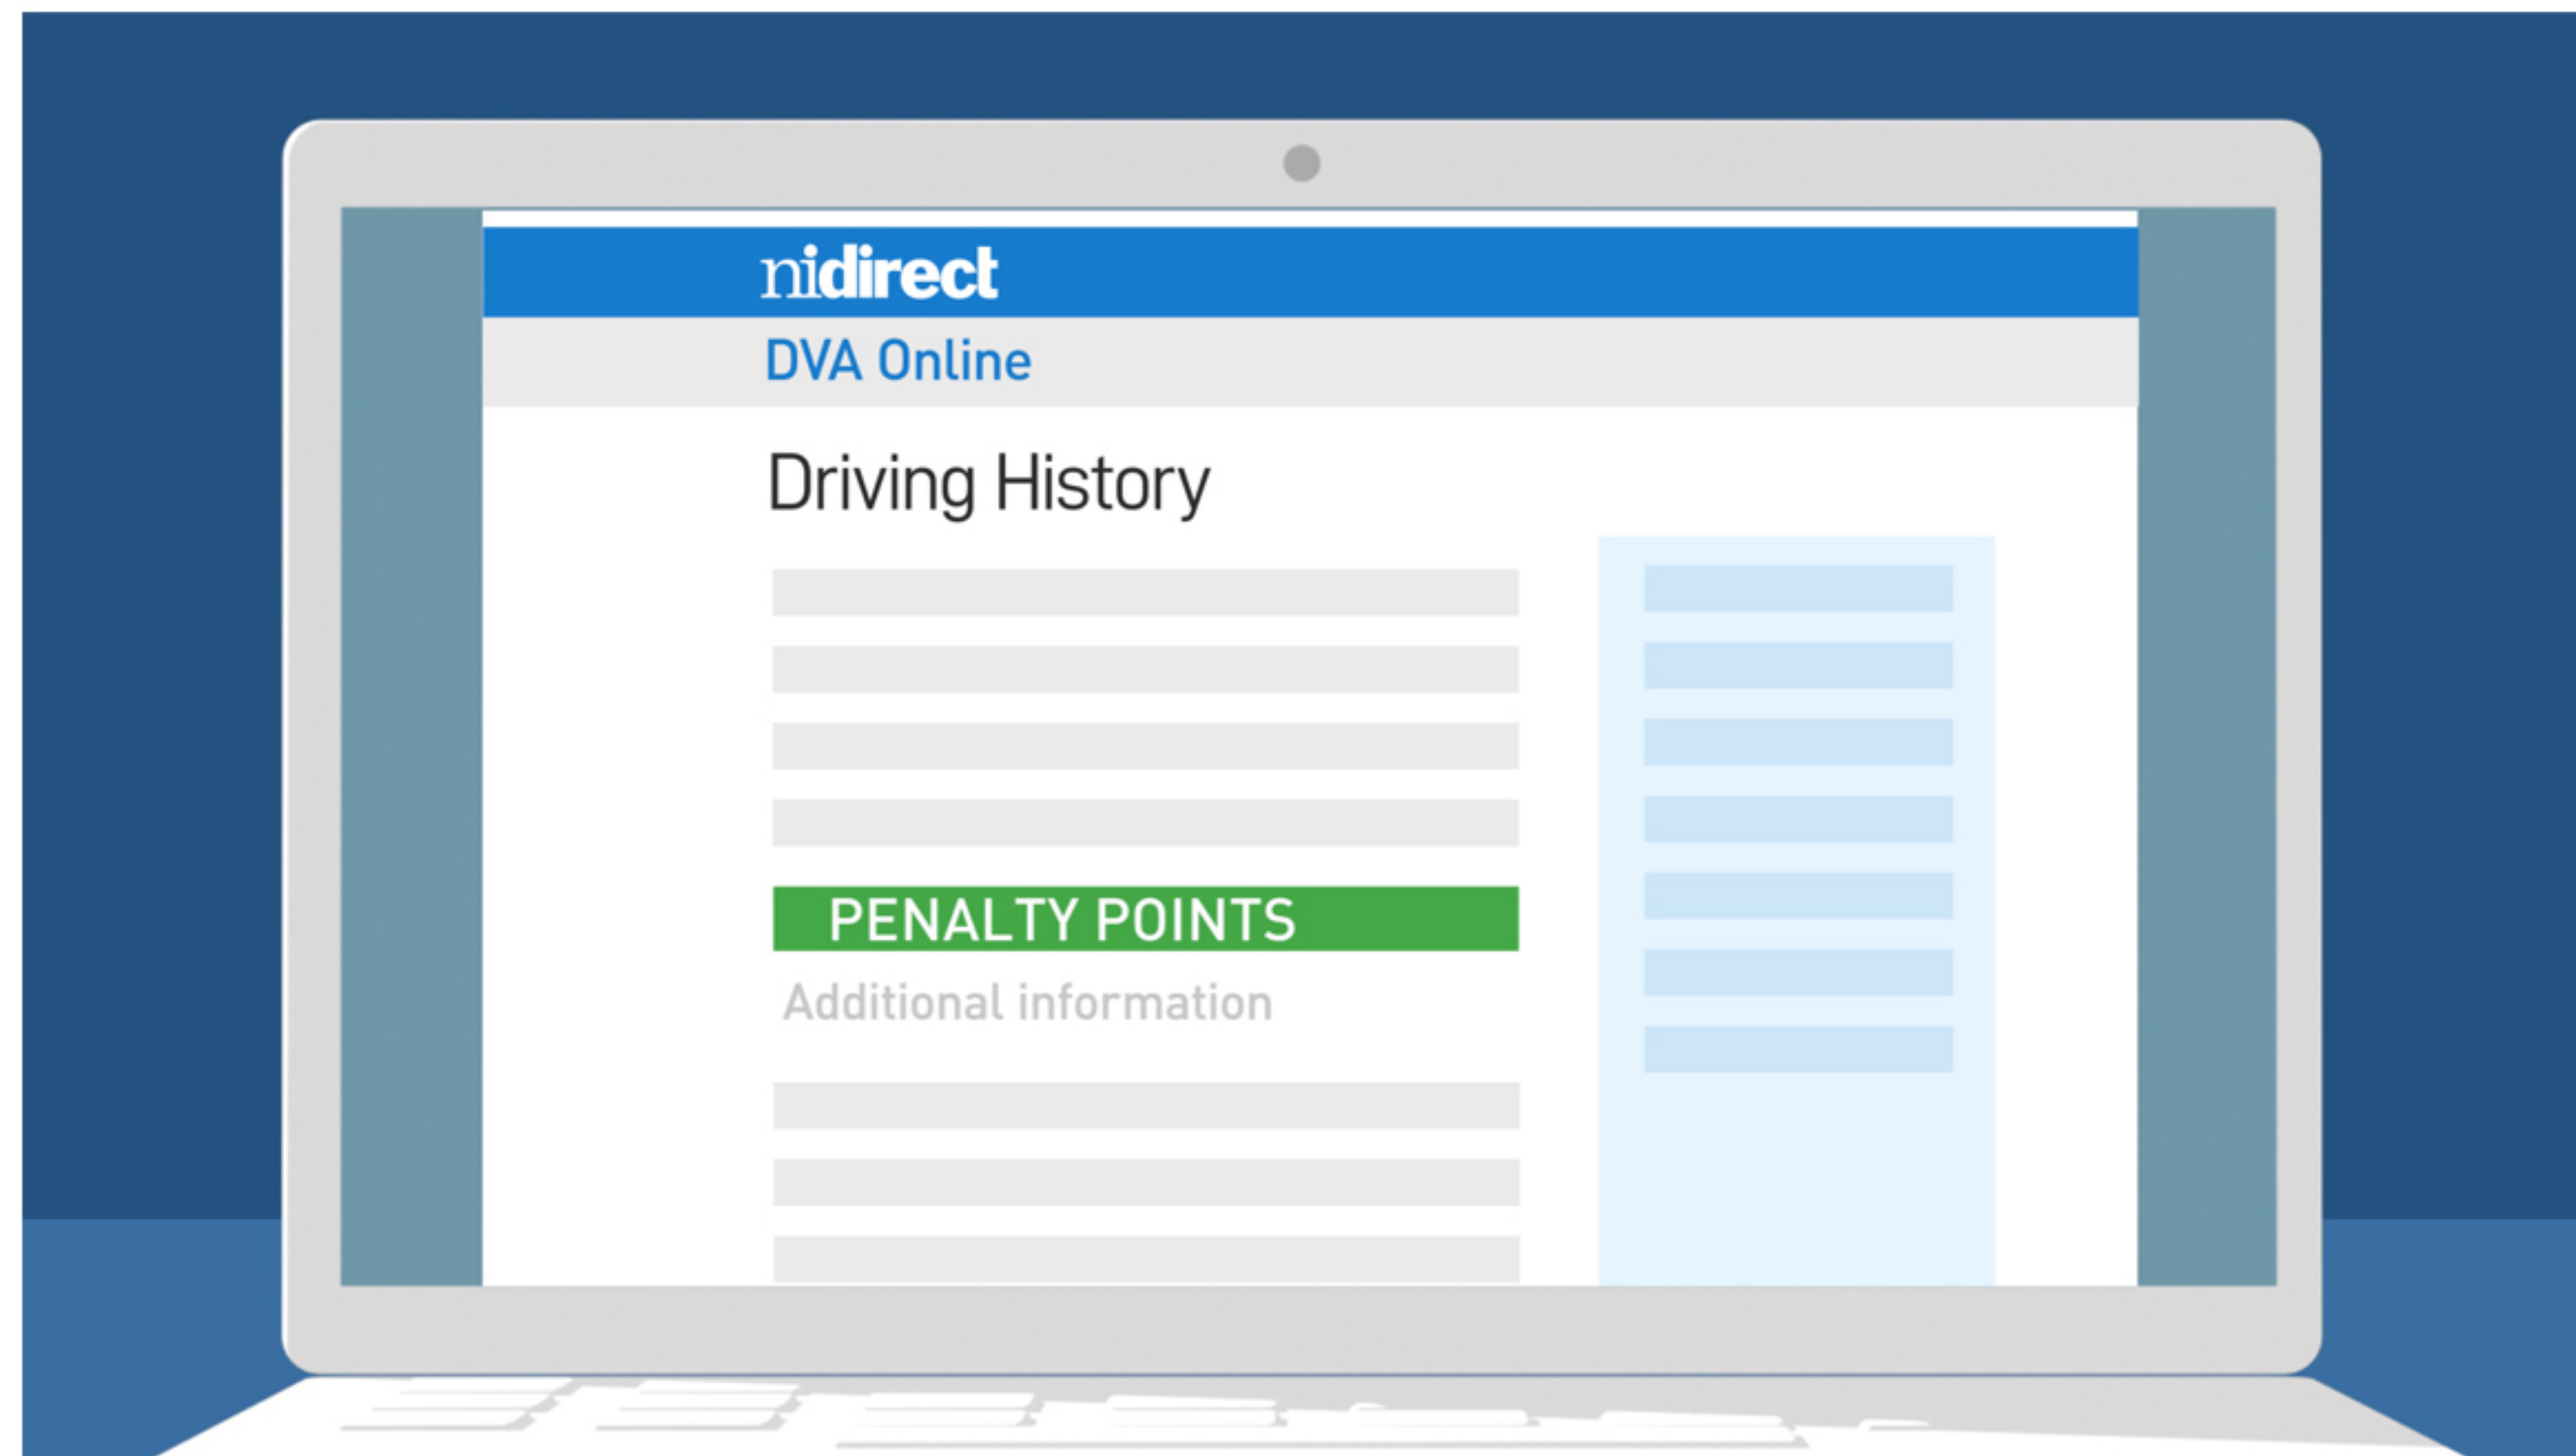

VO: Once you have created a nirect account and...

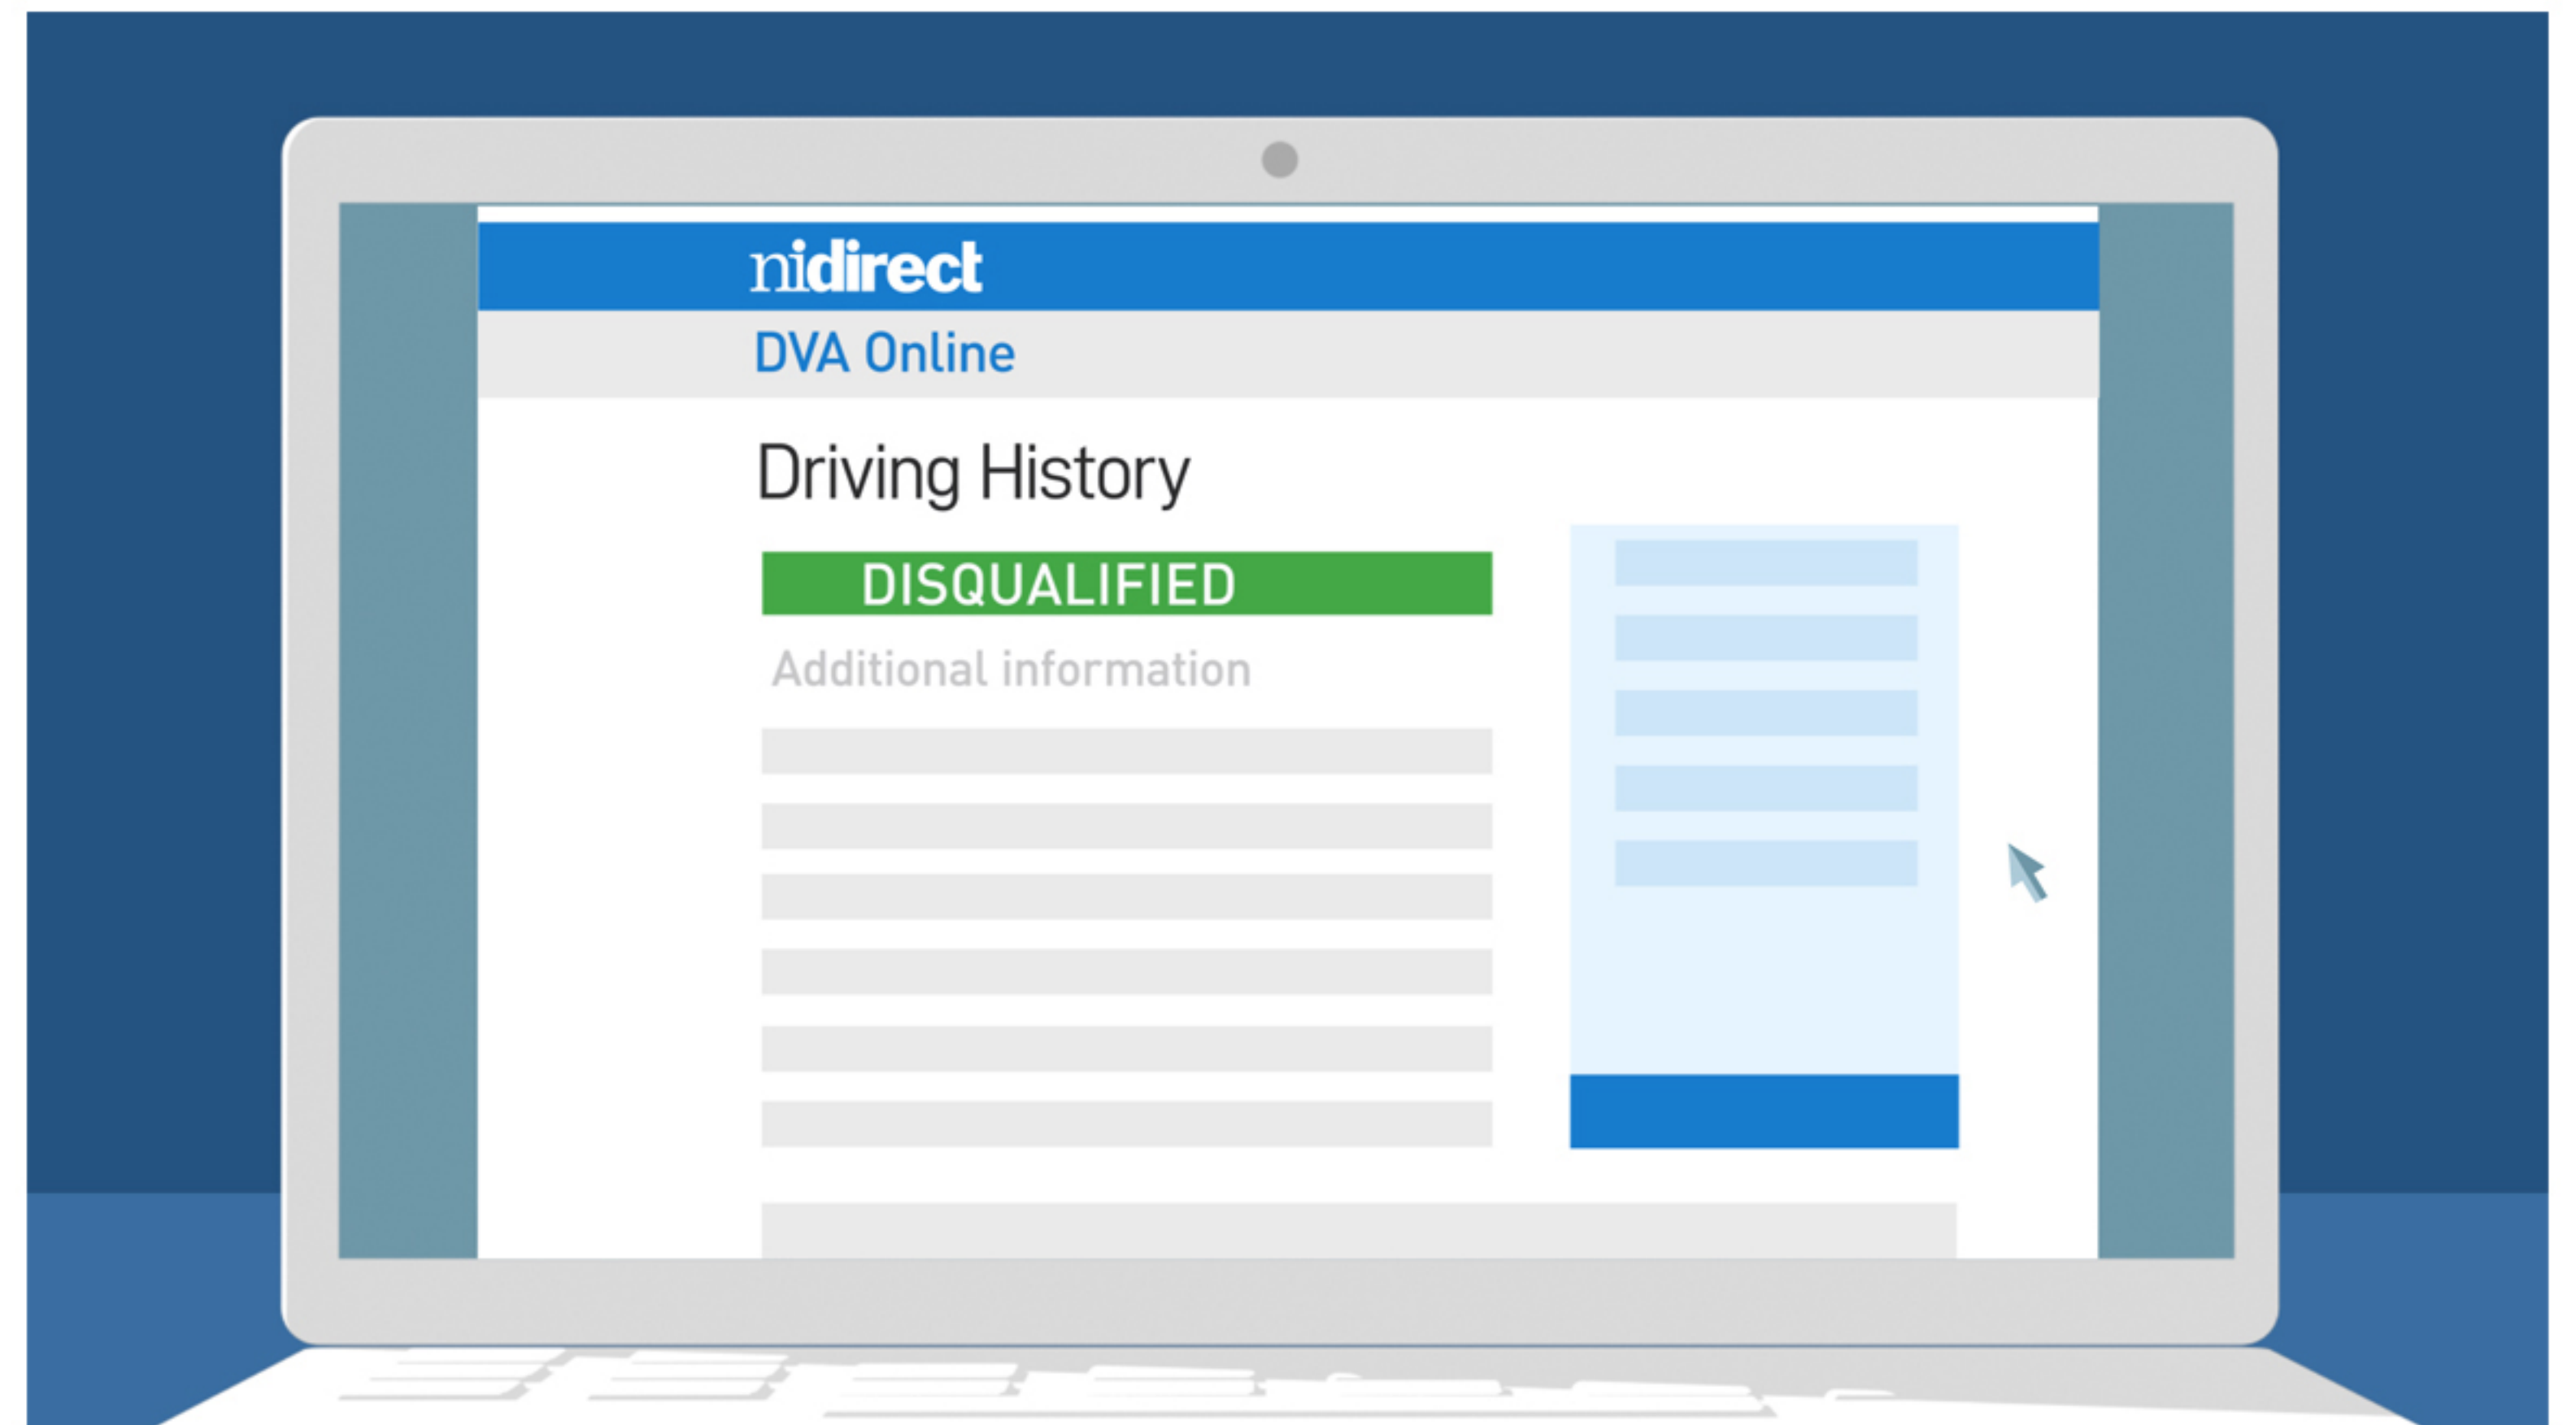

VO: ...linked your driving licence to it ...

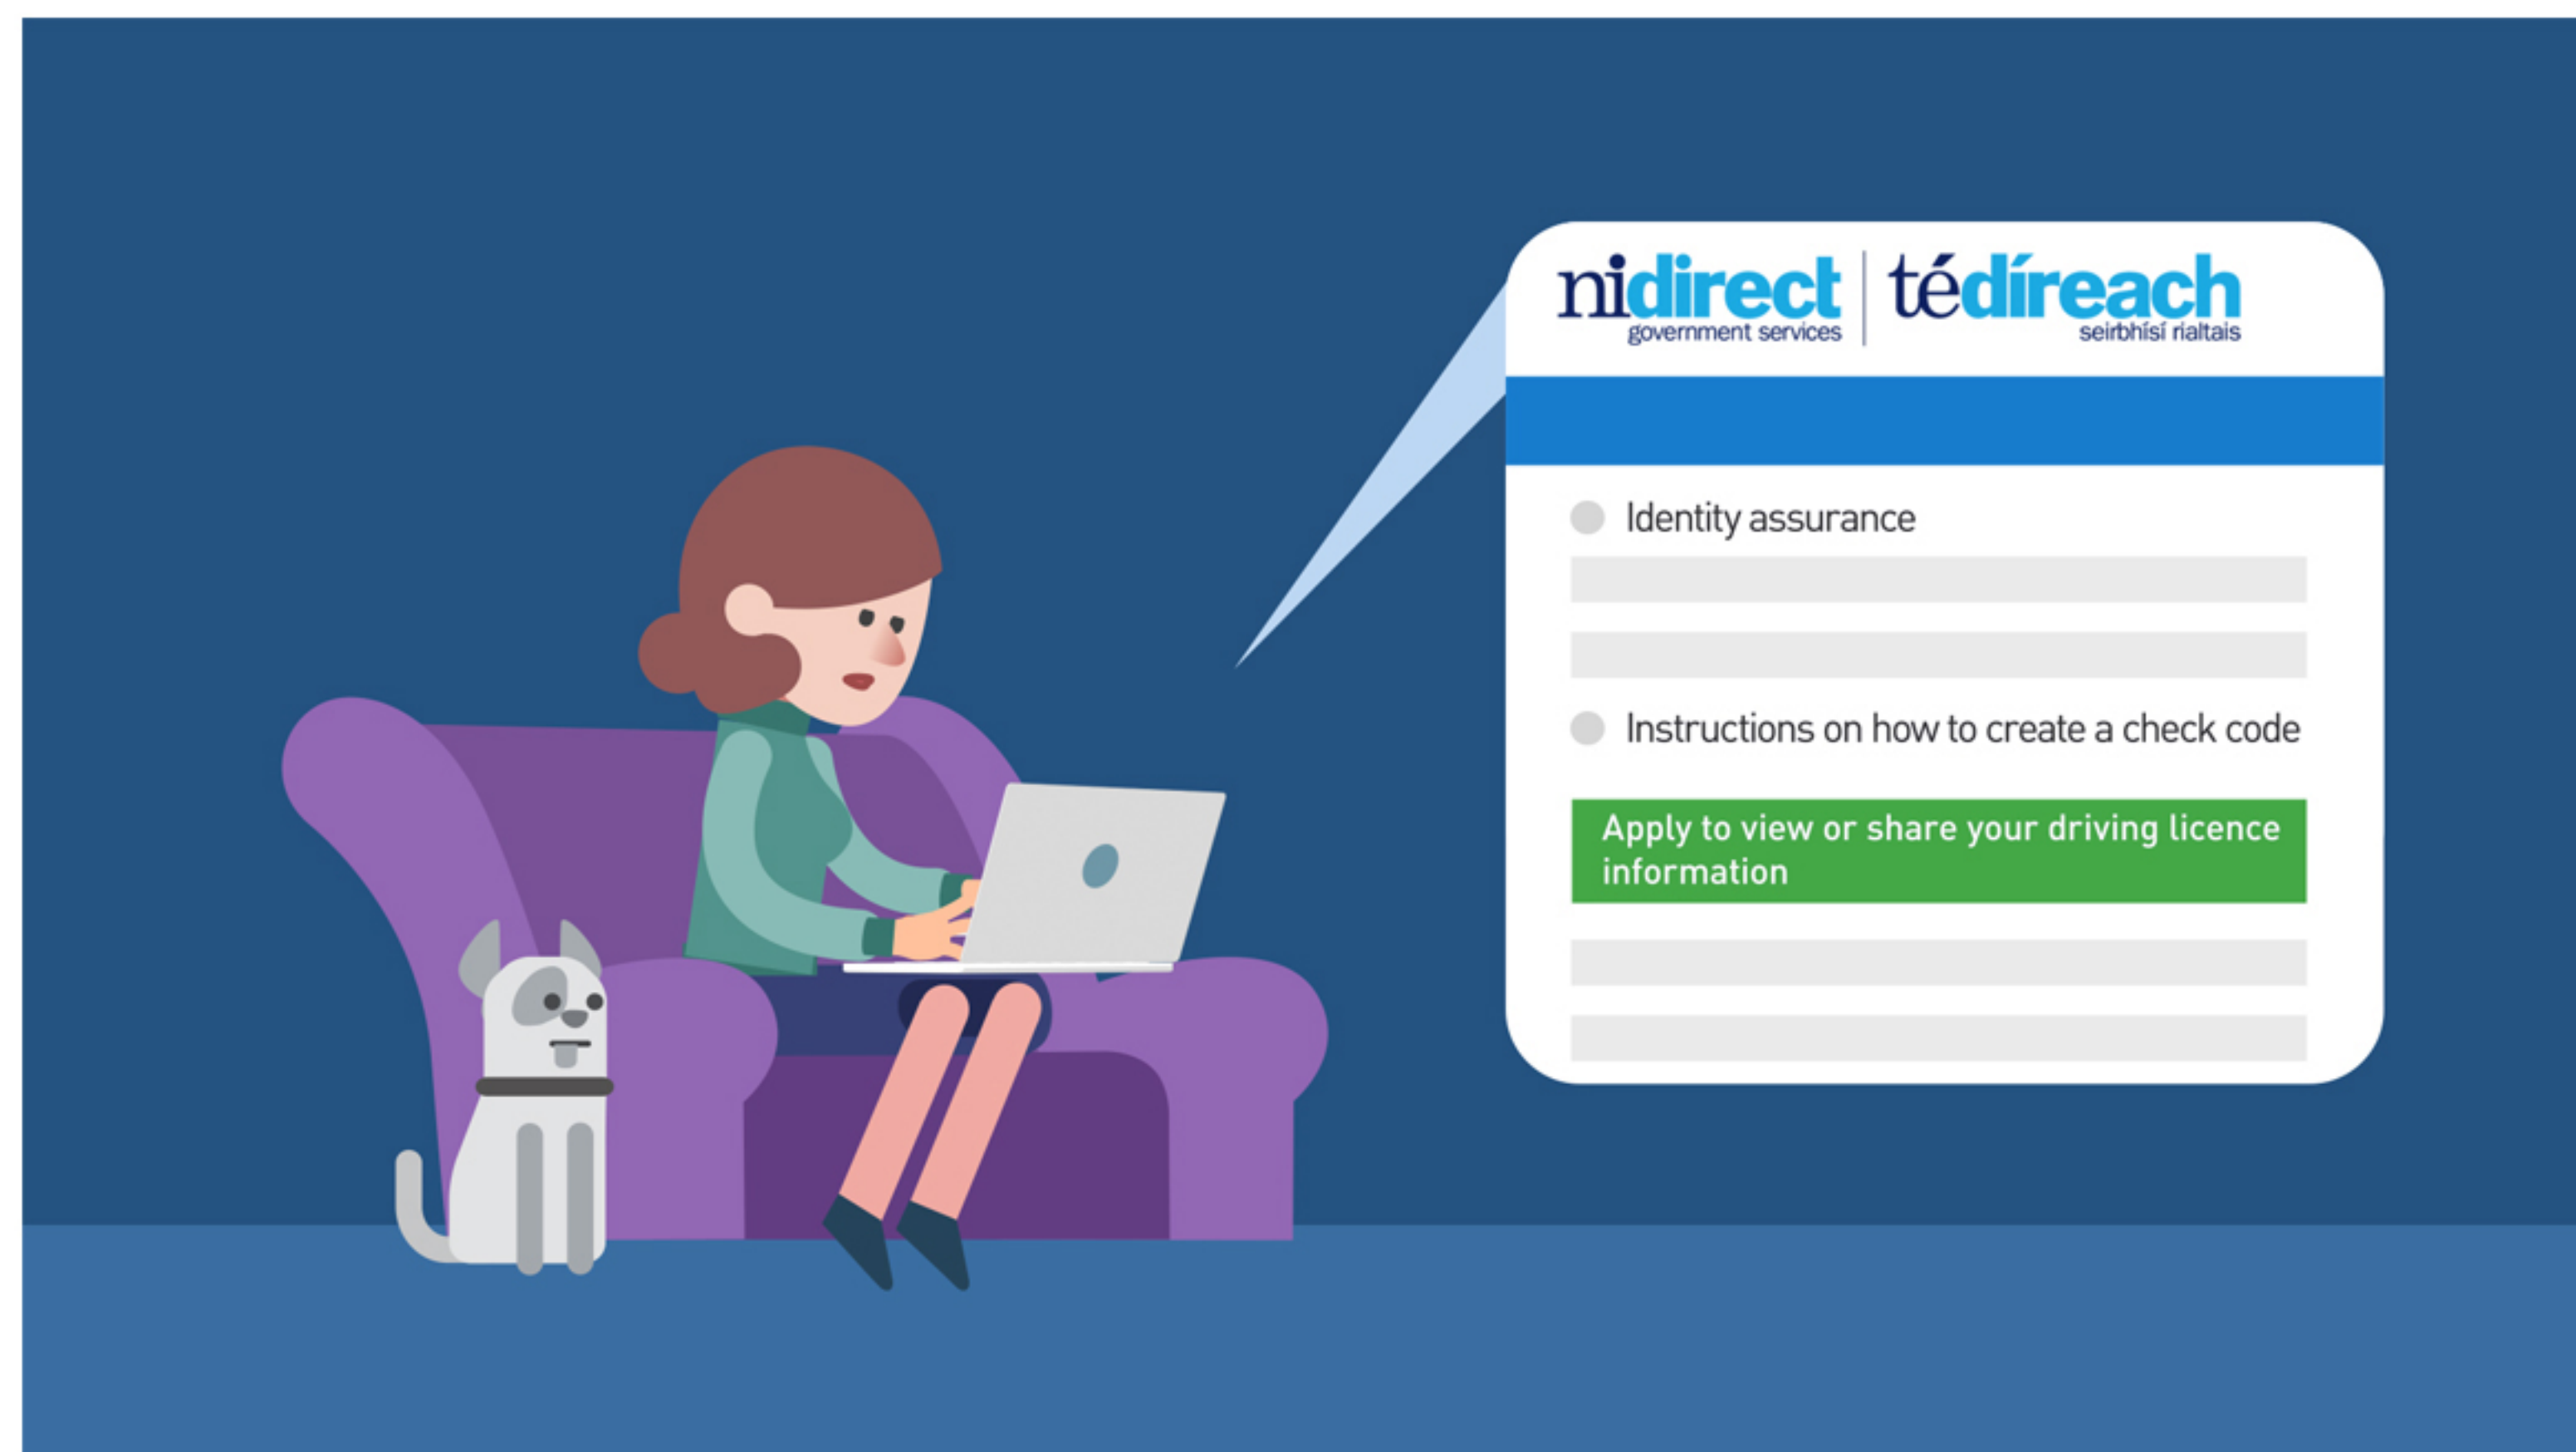

VO: ...

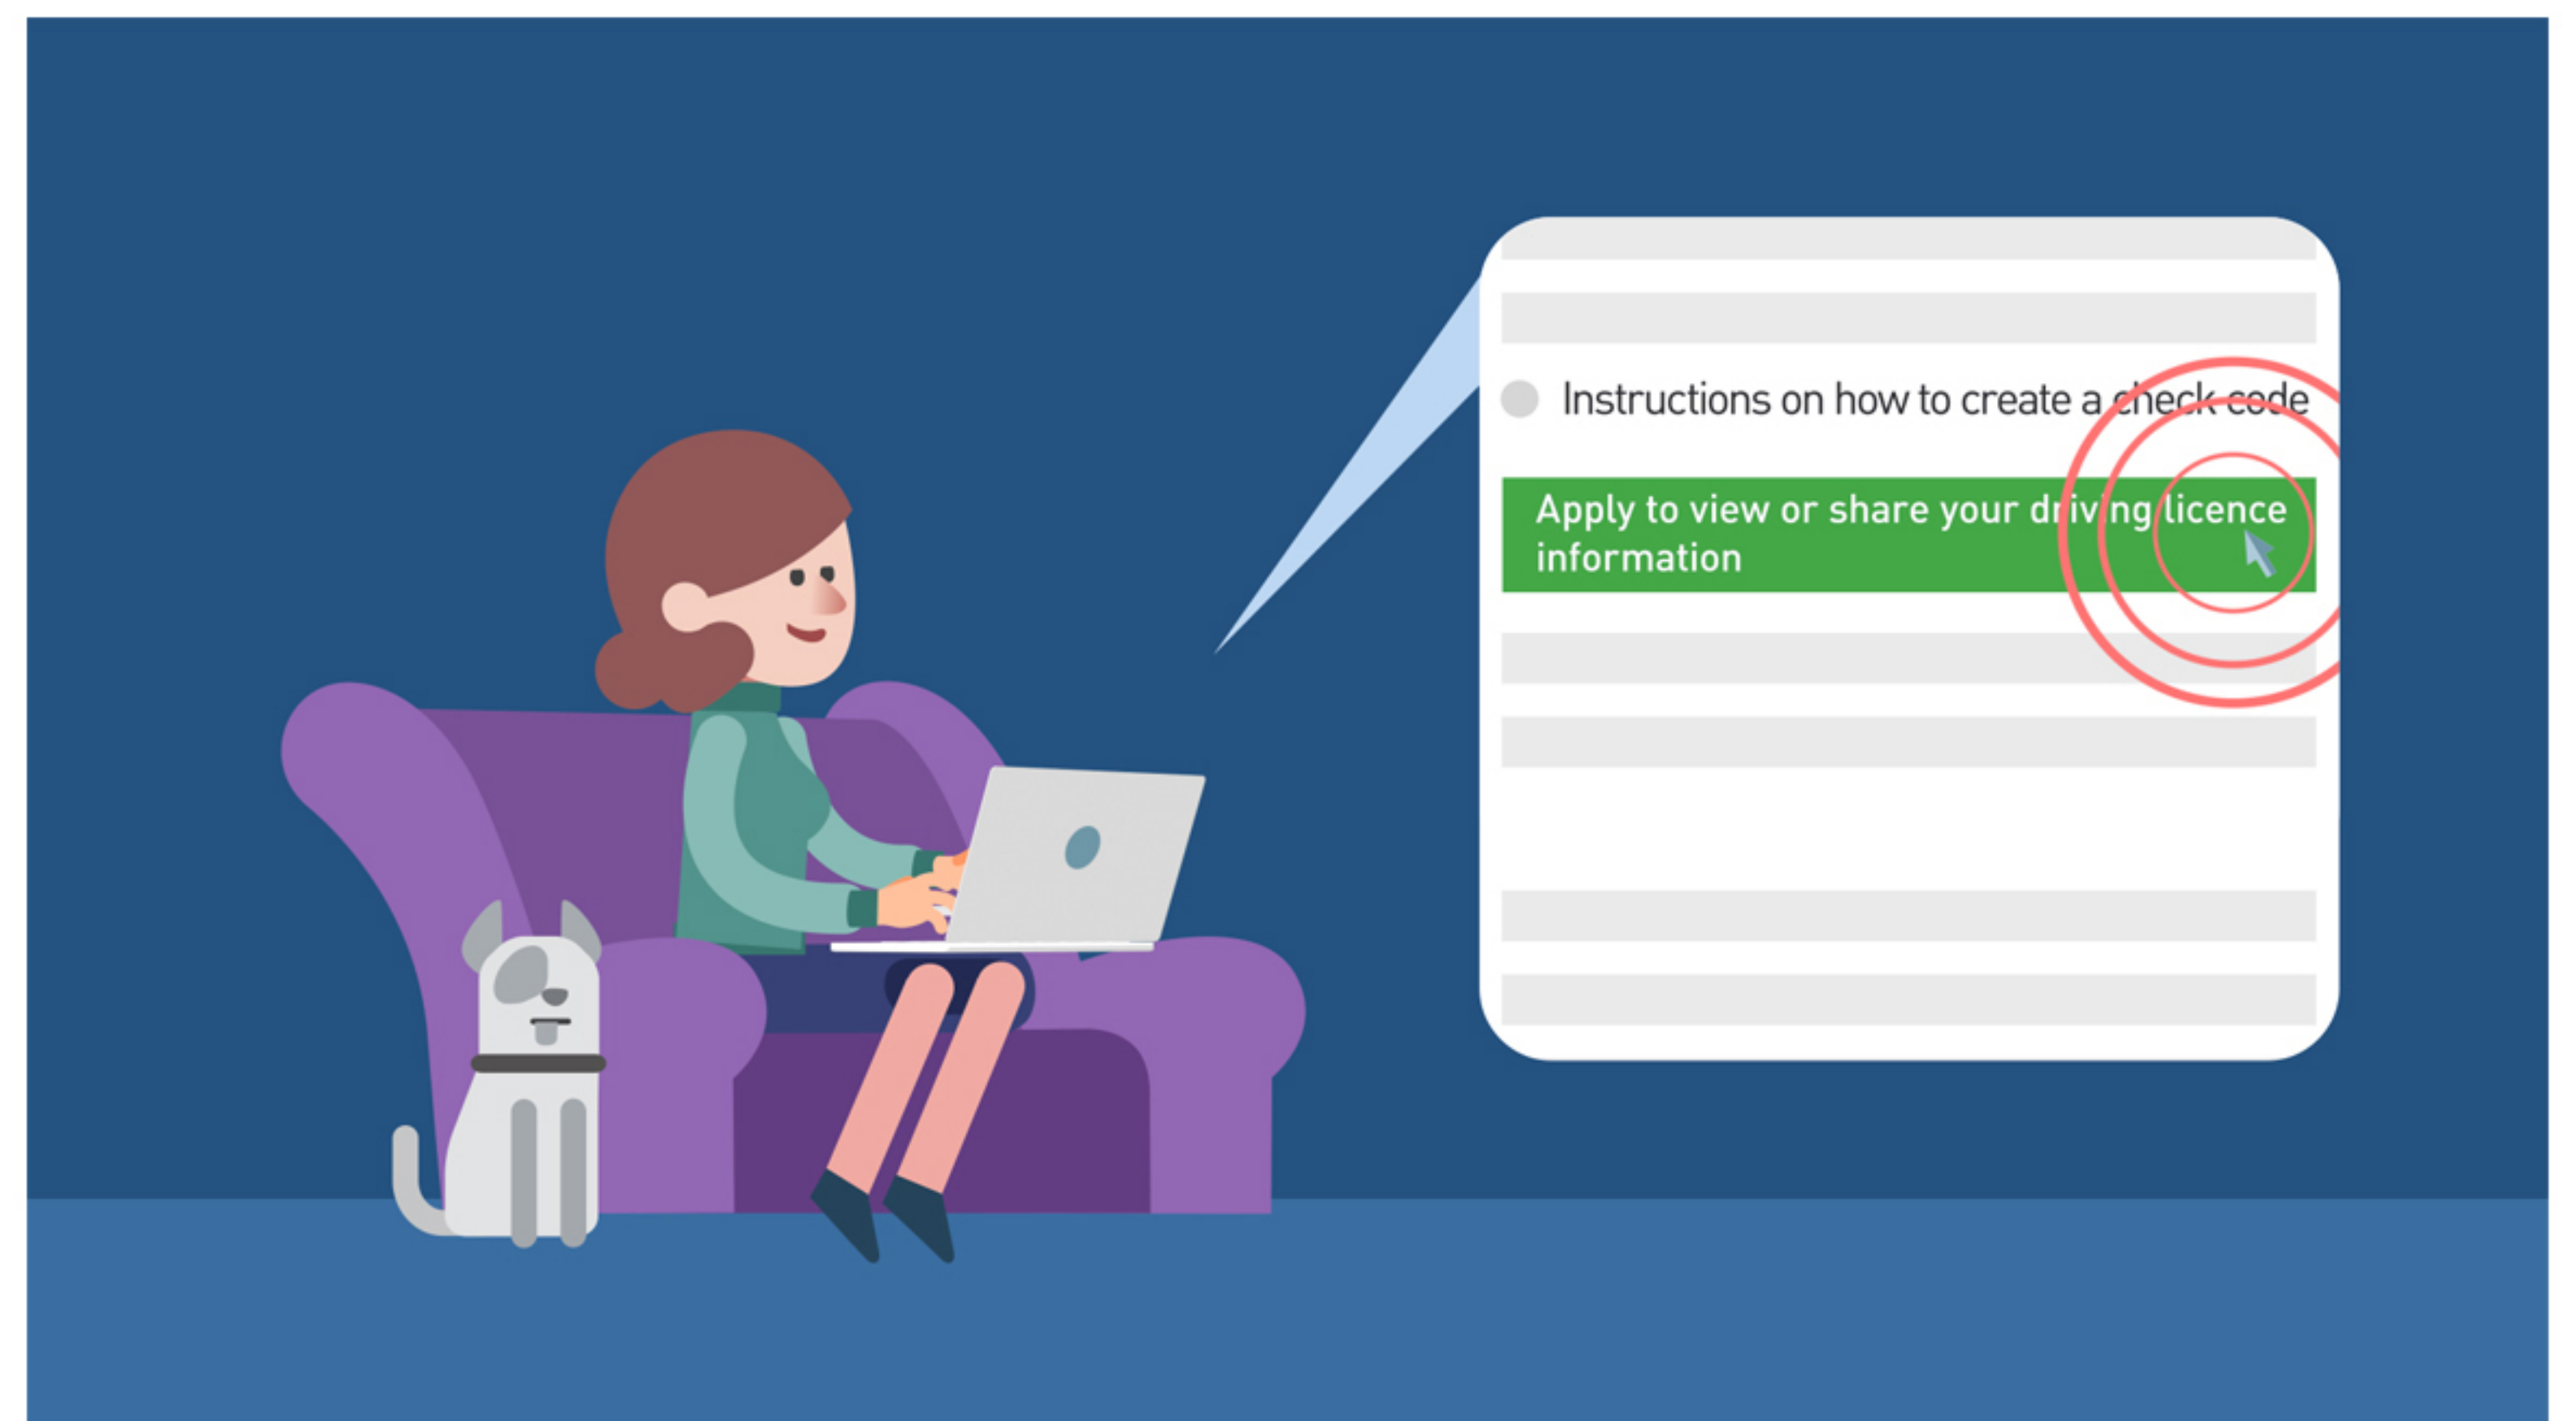

VO: ...you can check your full driving history, ...

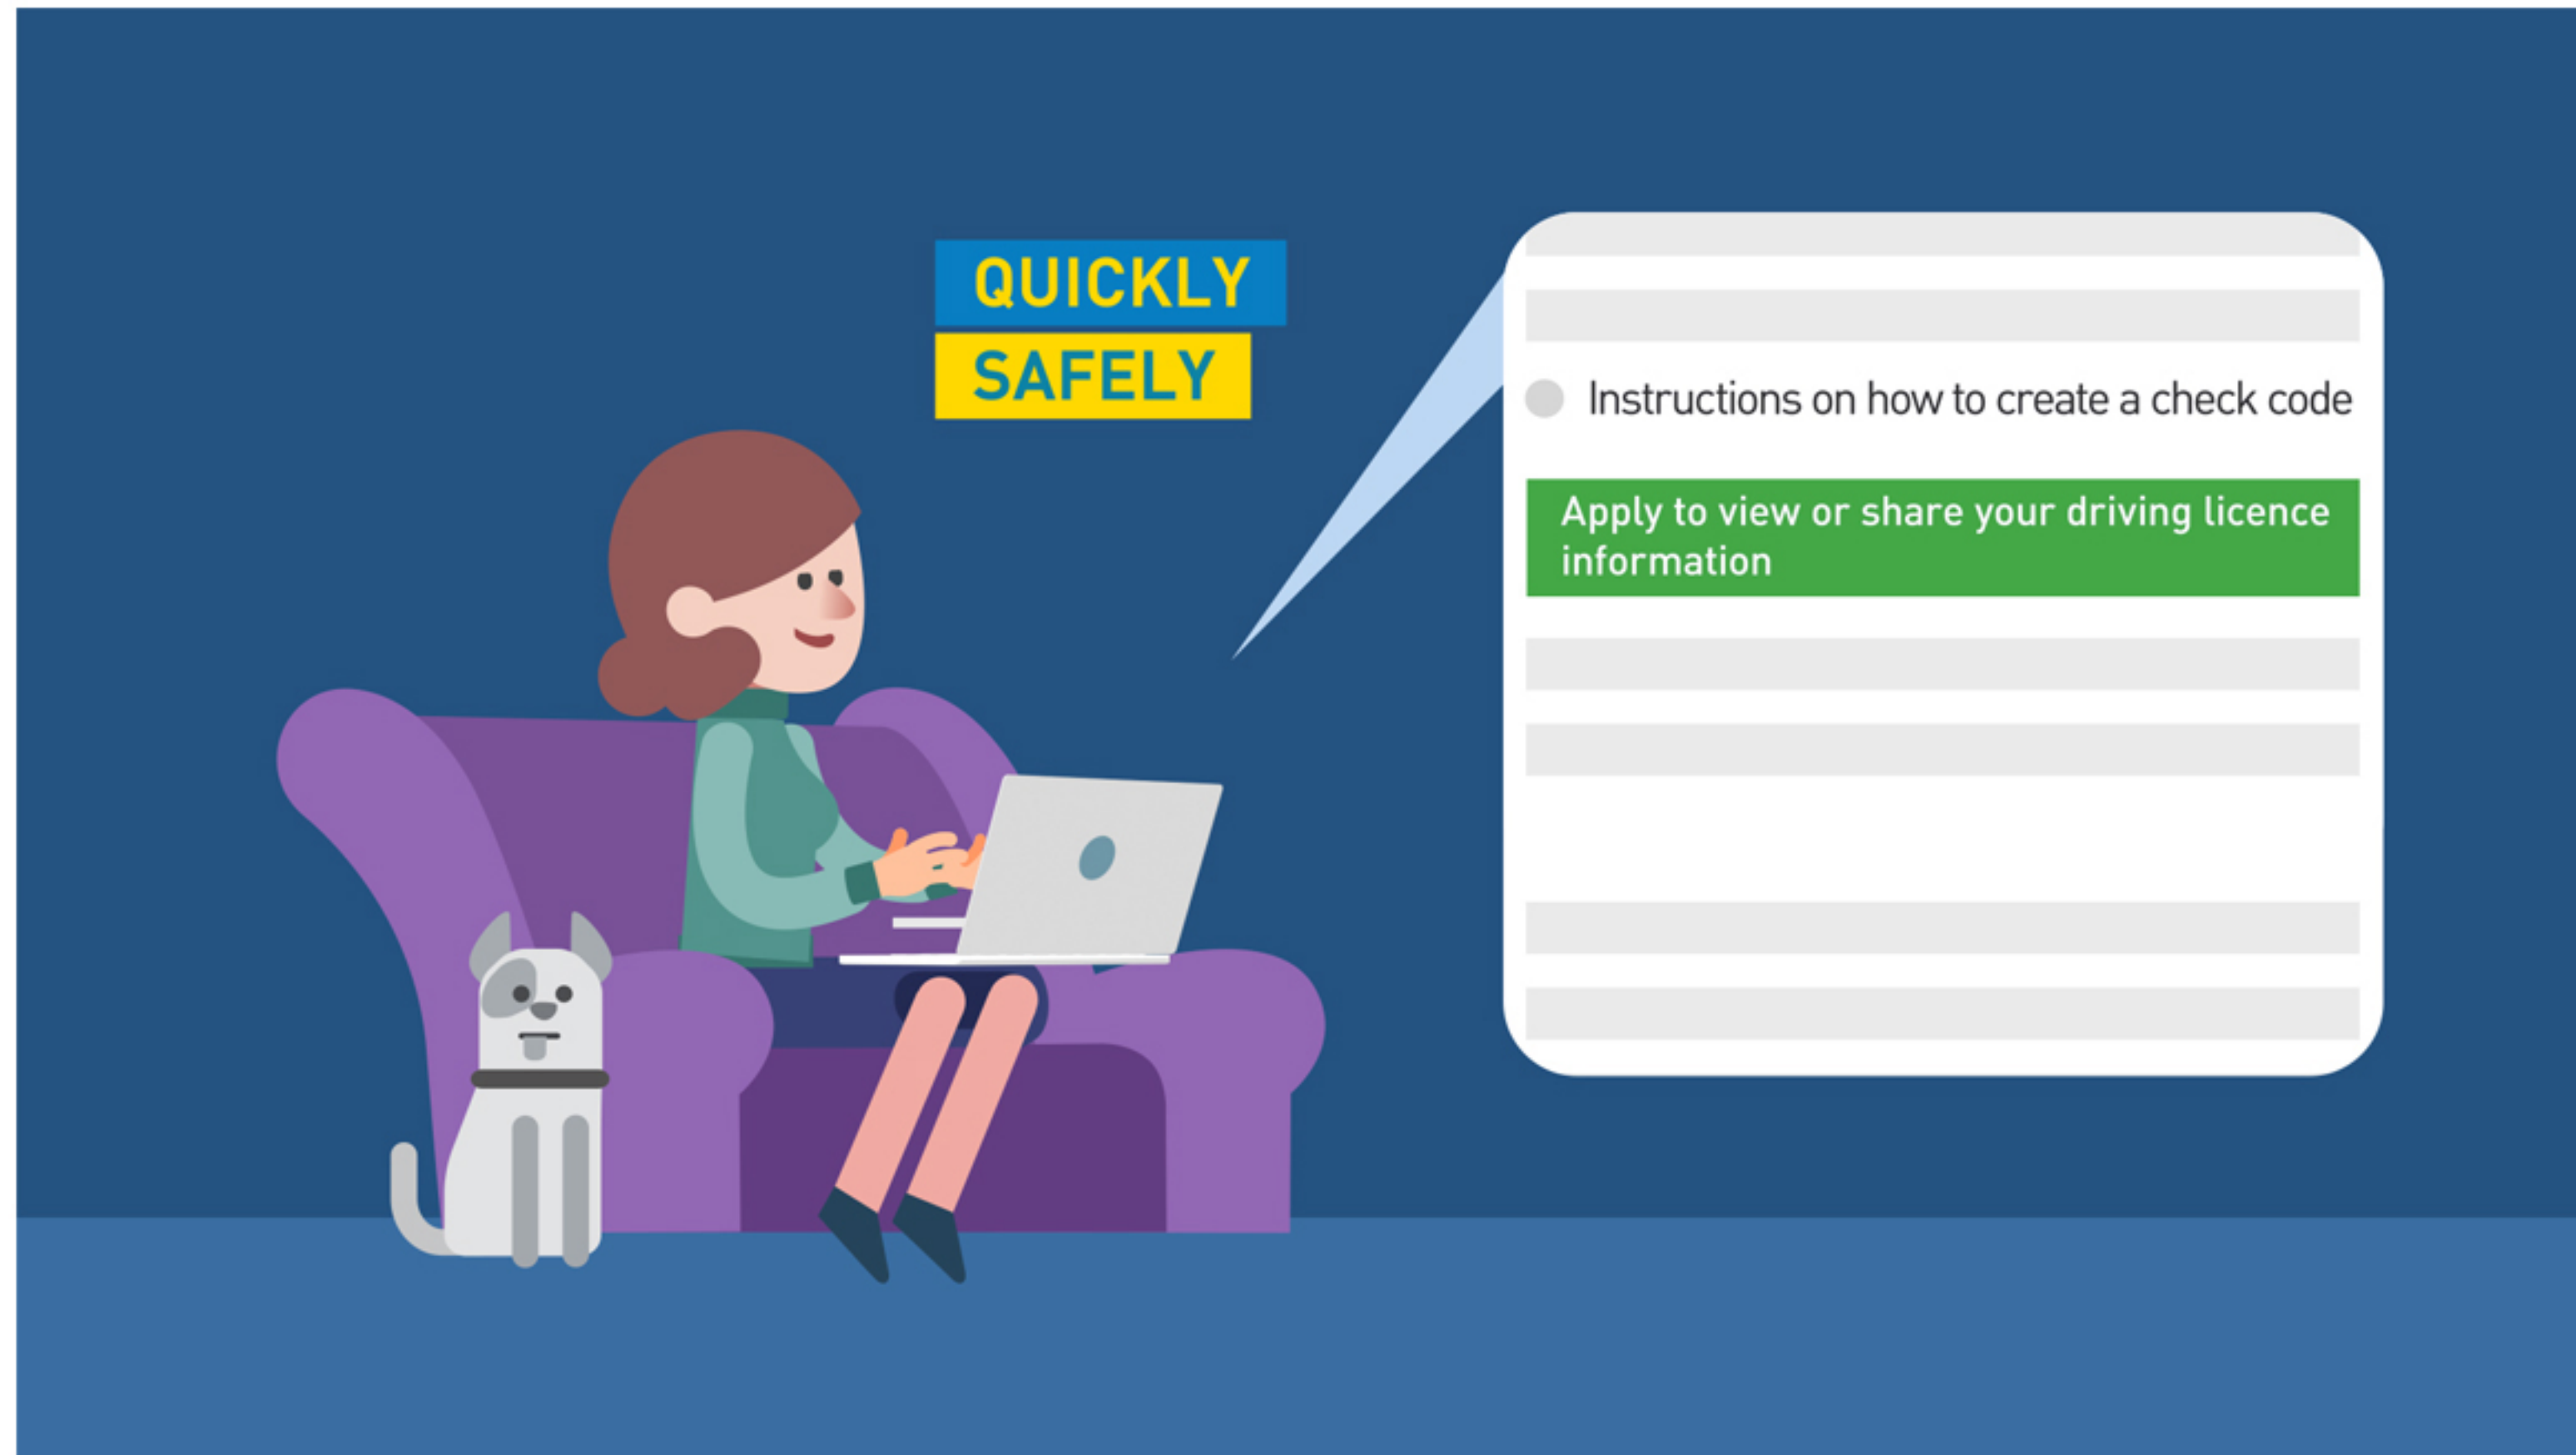

VO: ...as well as any entitlements or endorsements you have.

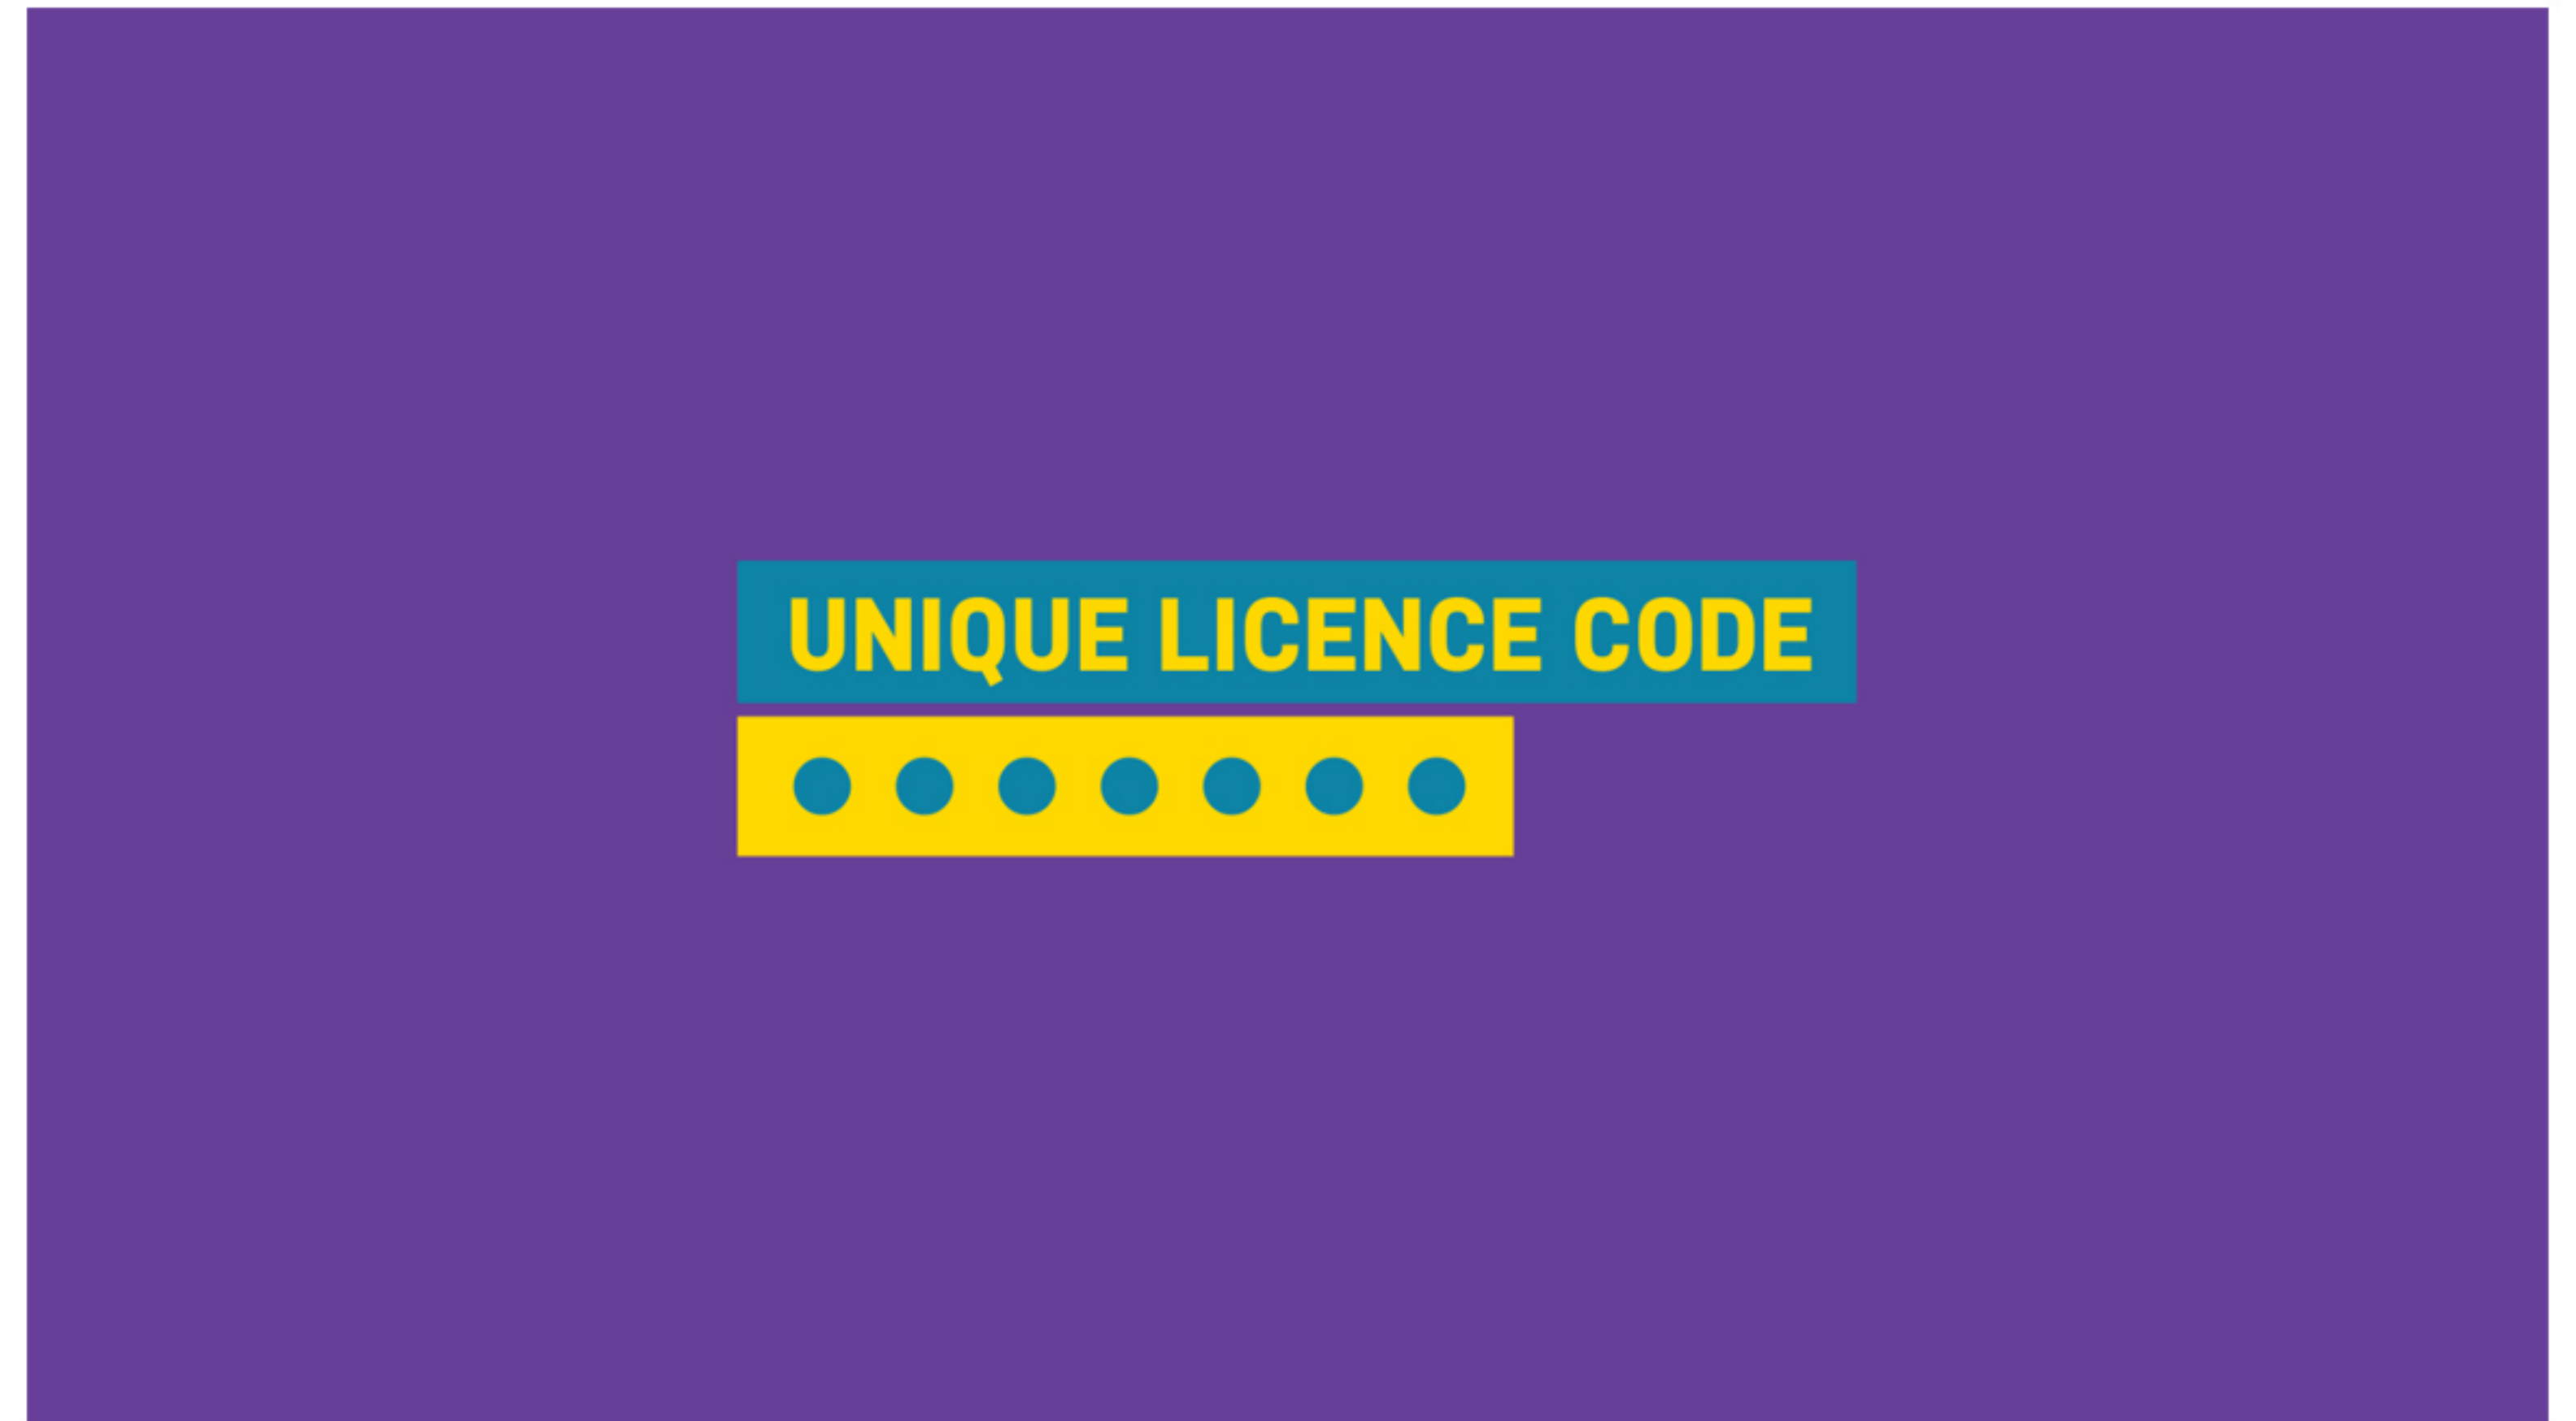

VO: This service also allows ...

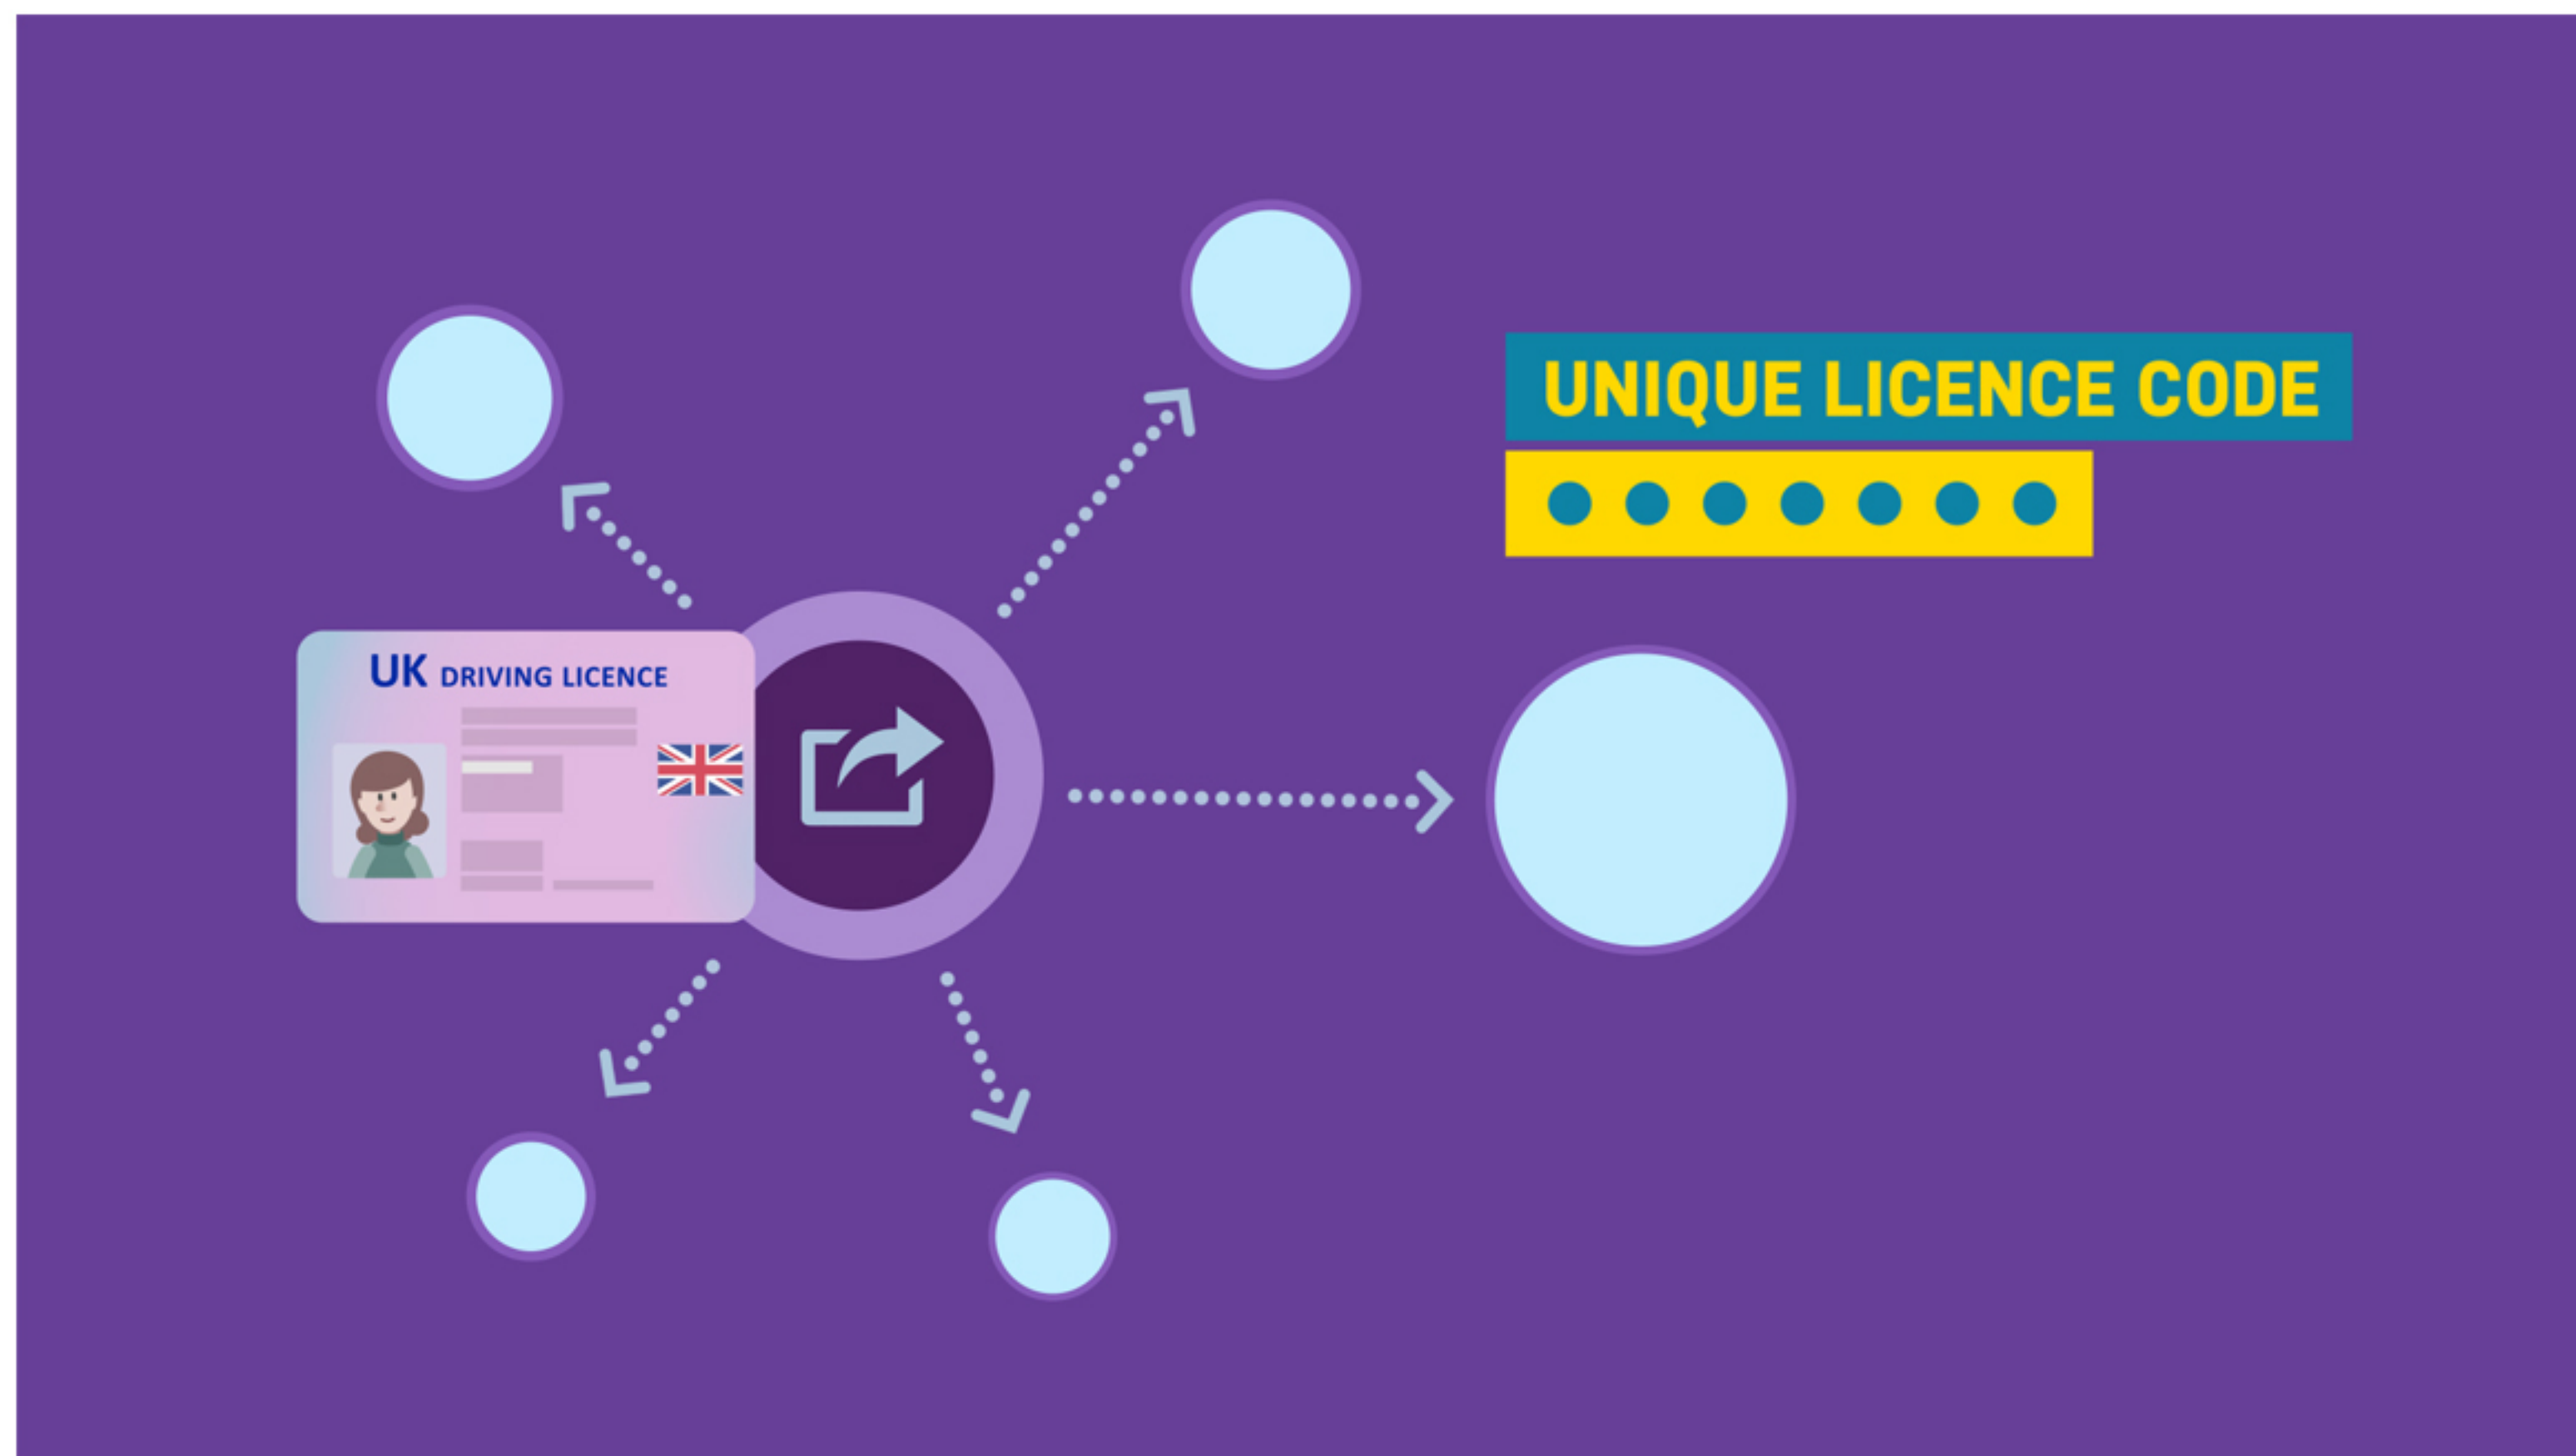

VO: ...you to share your driving licence details ...

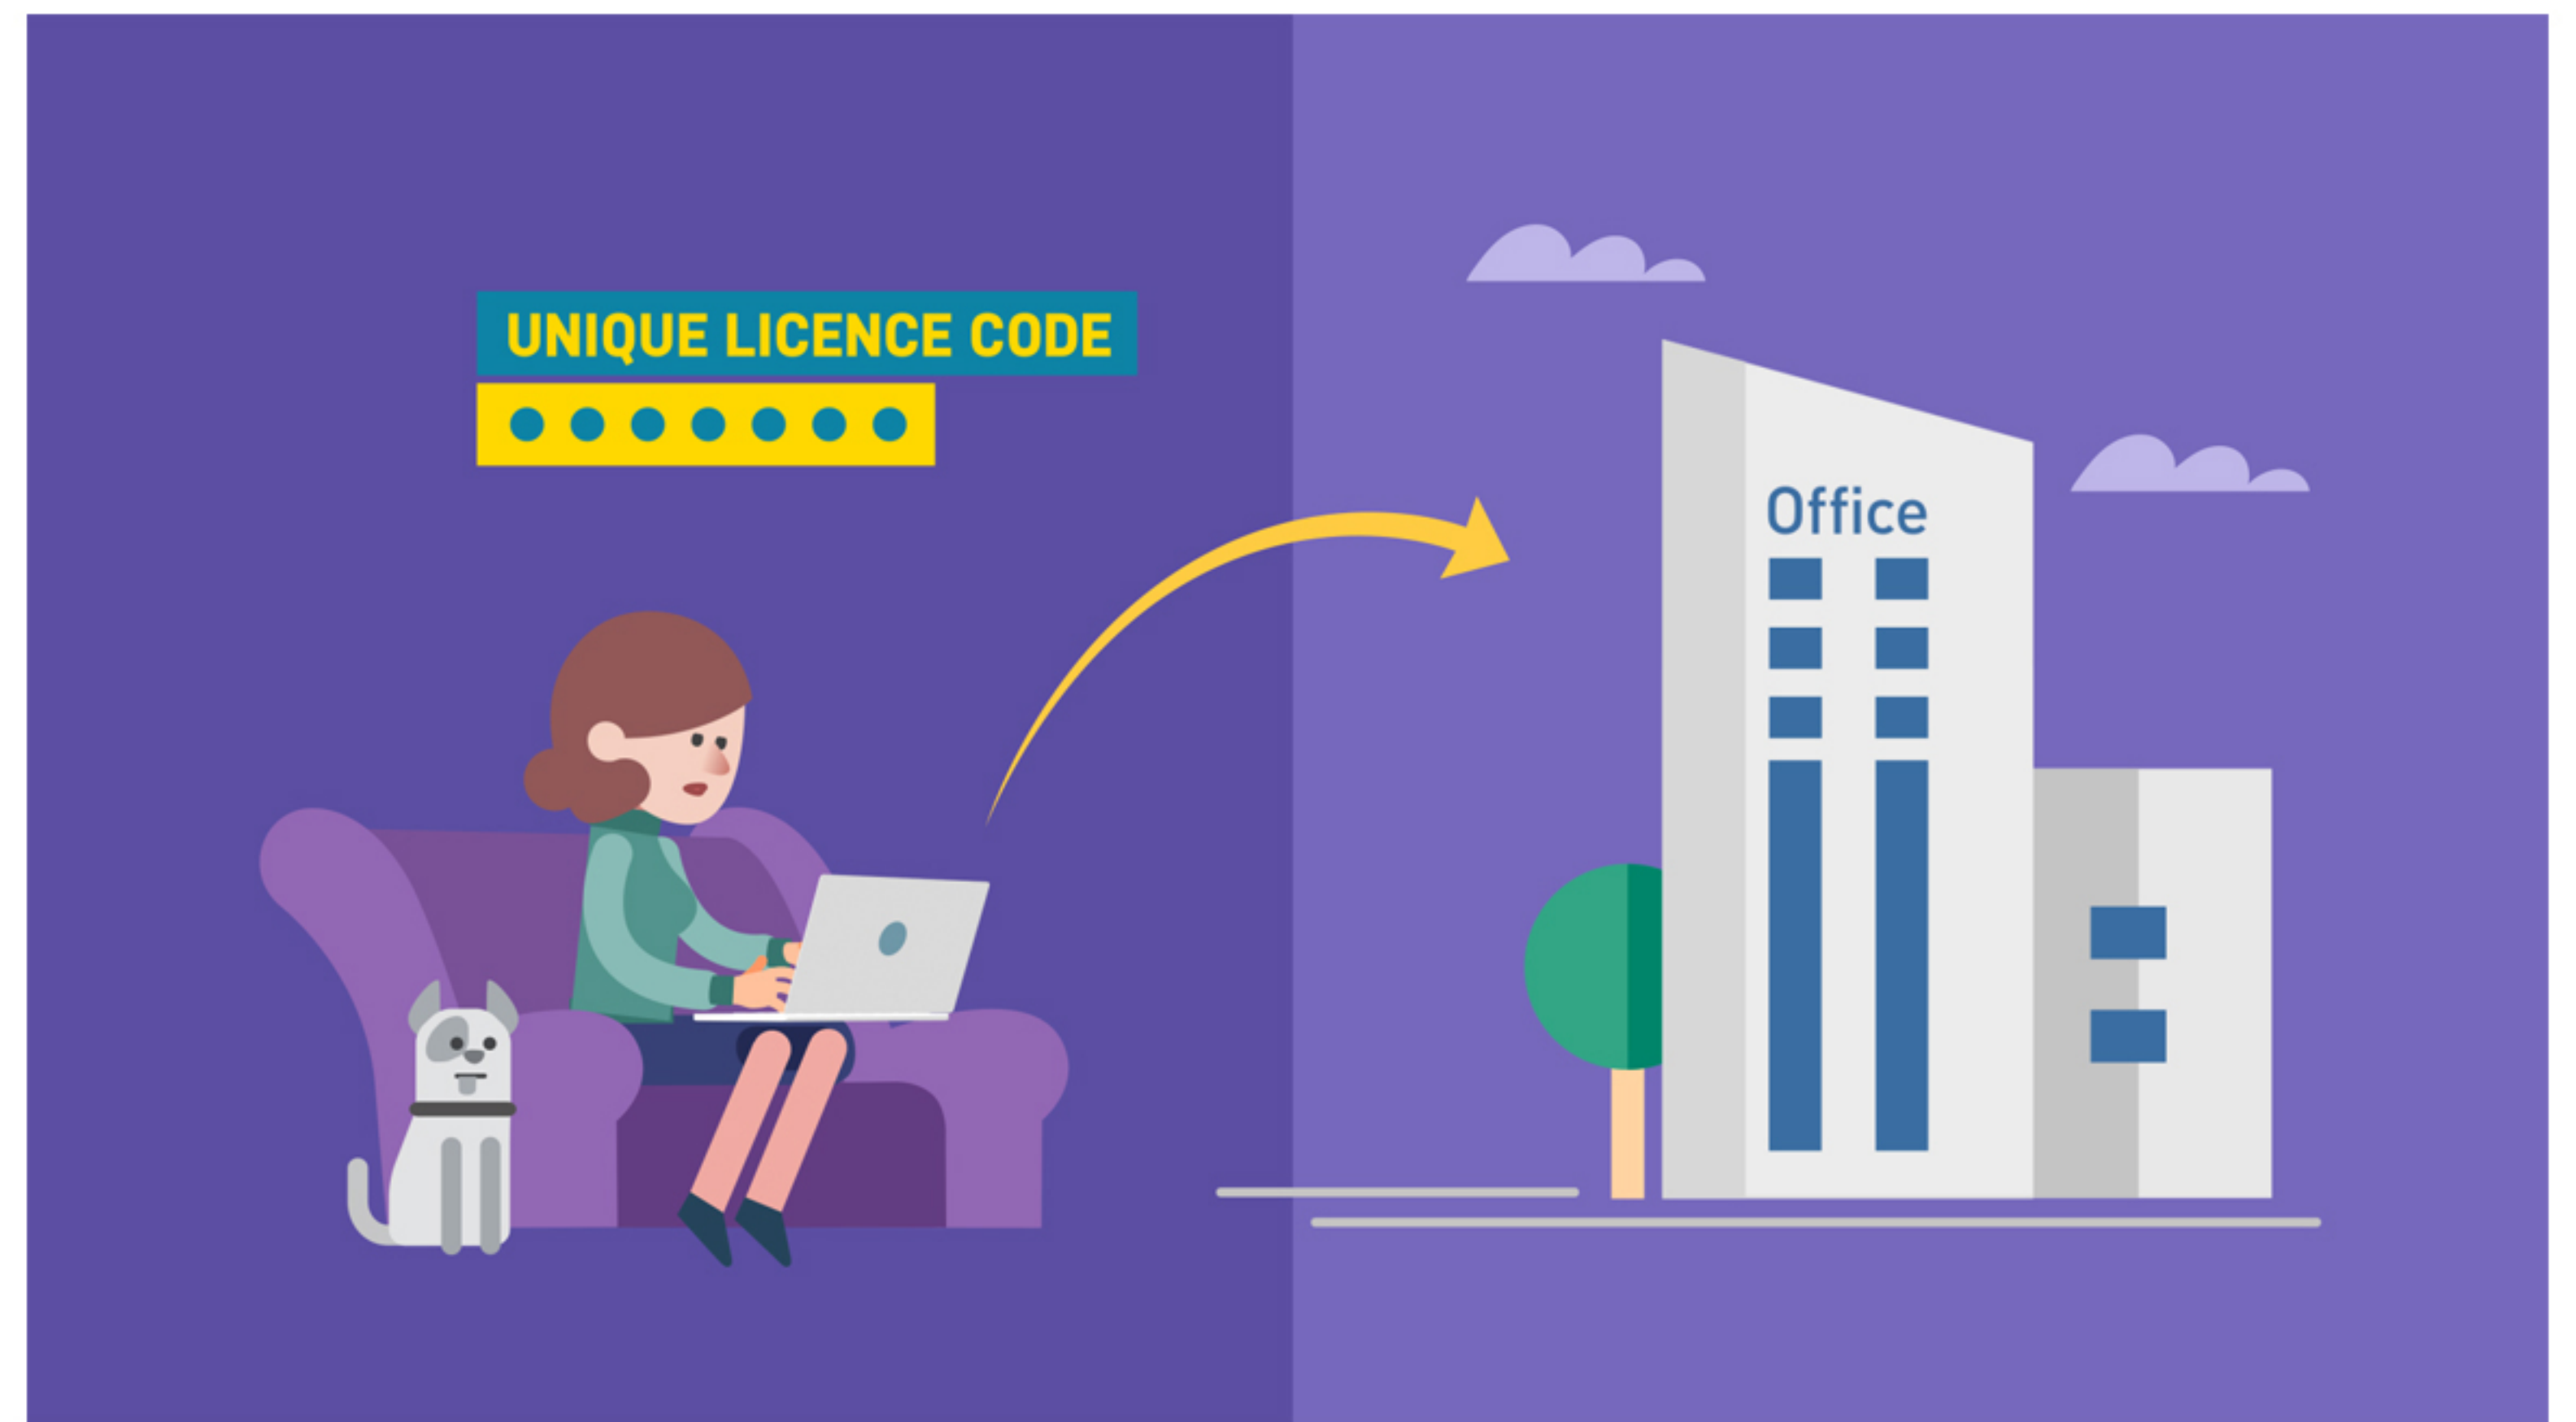

VO: ...quickly and safely.

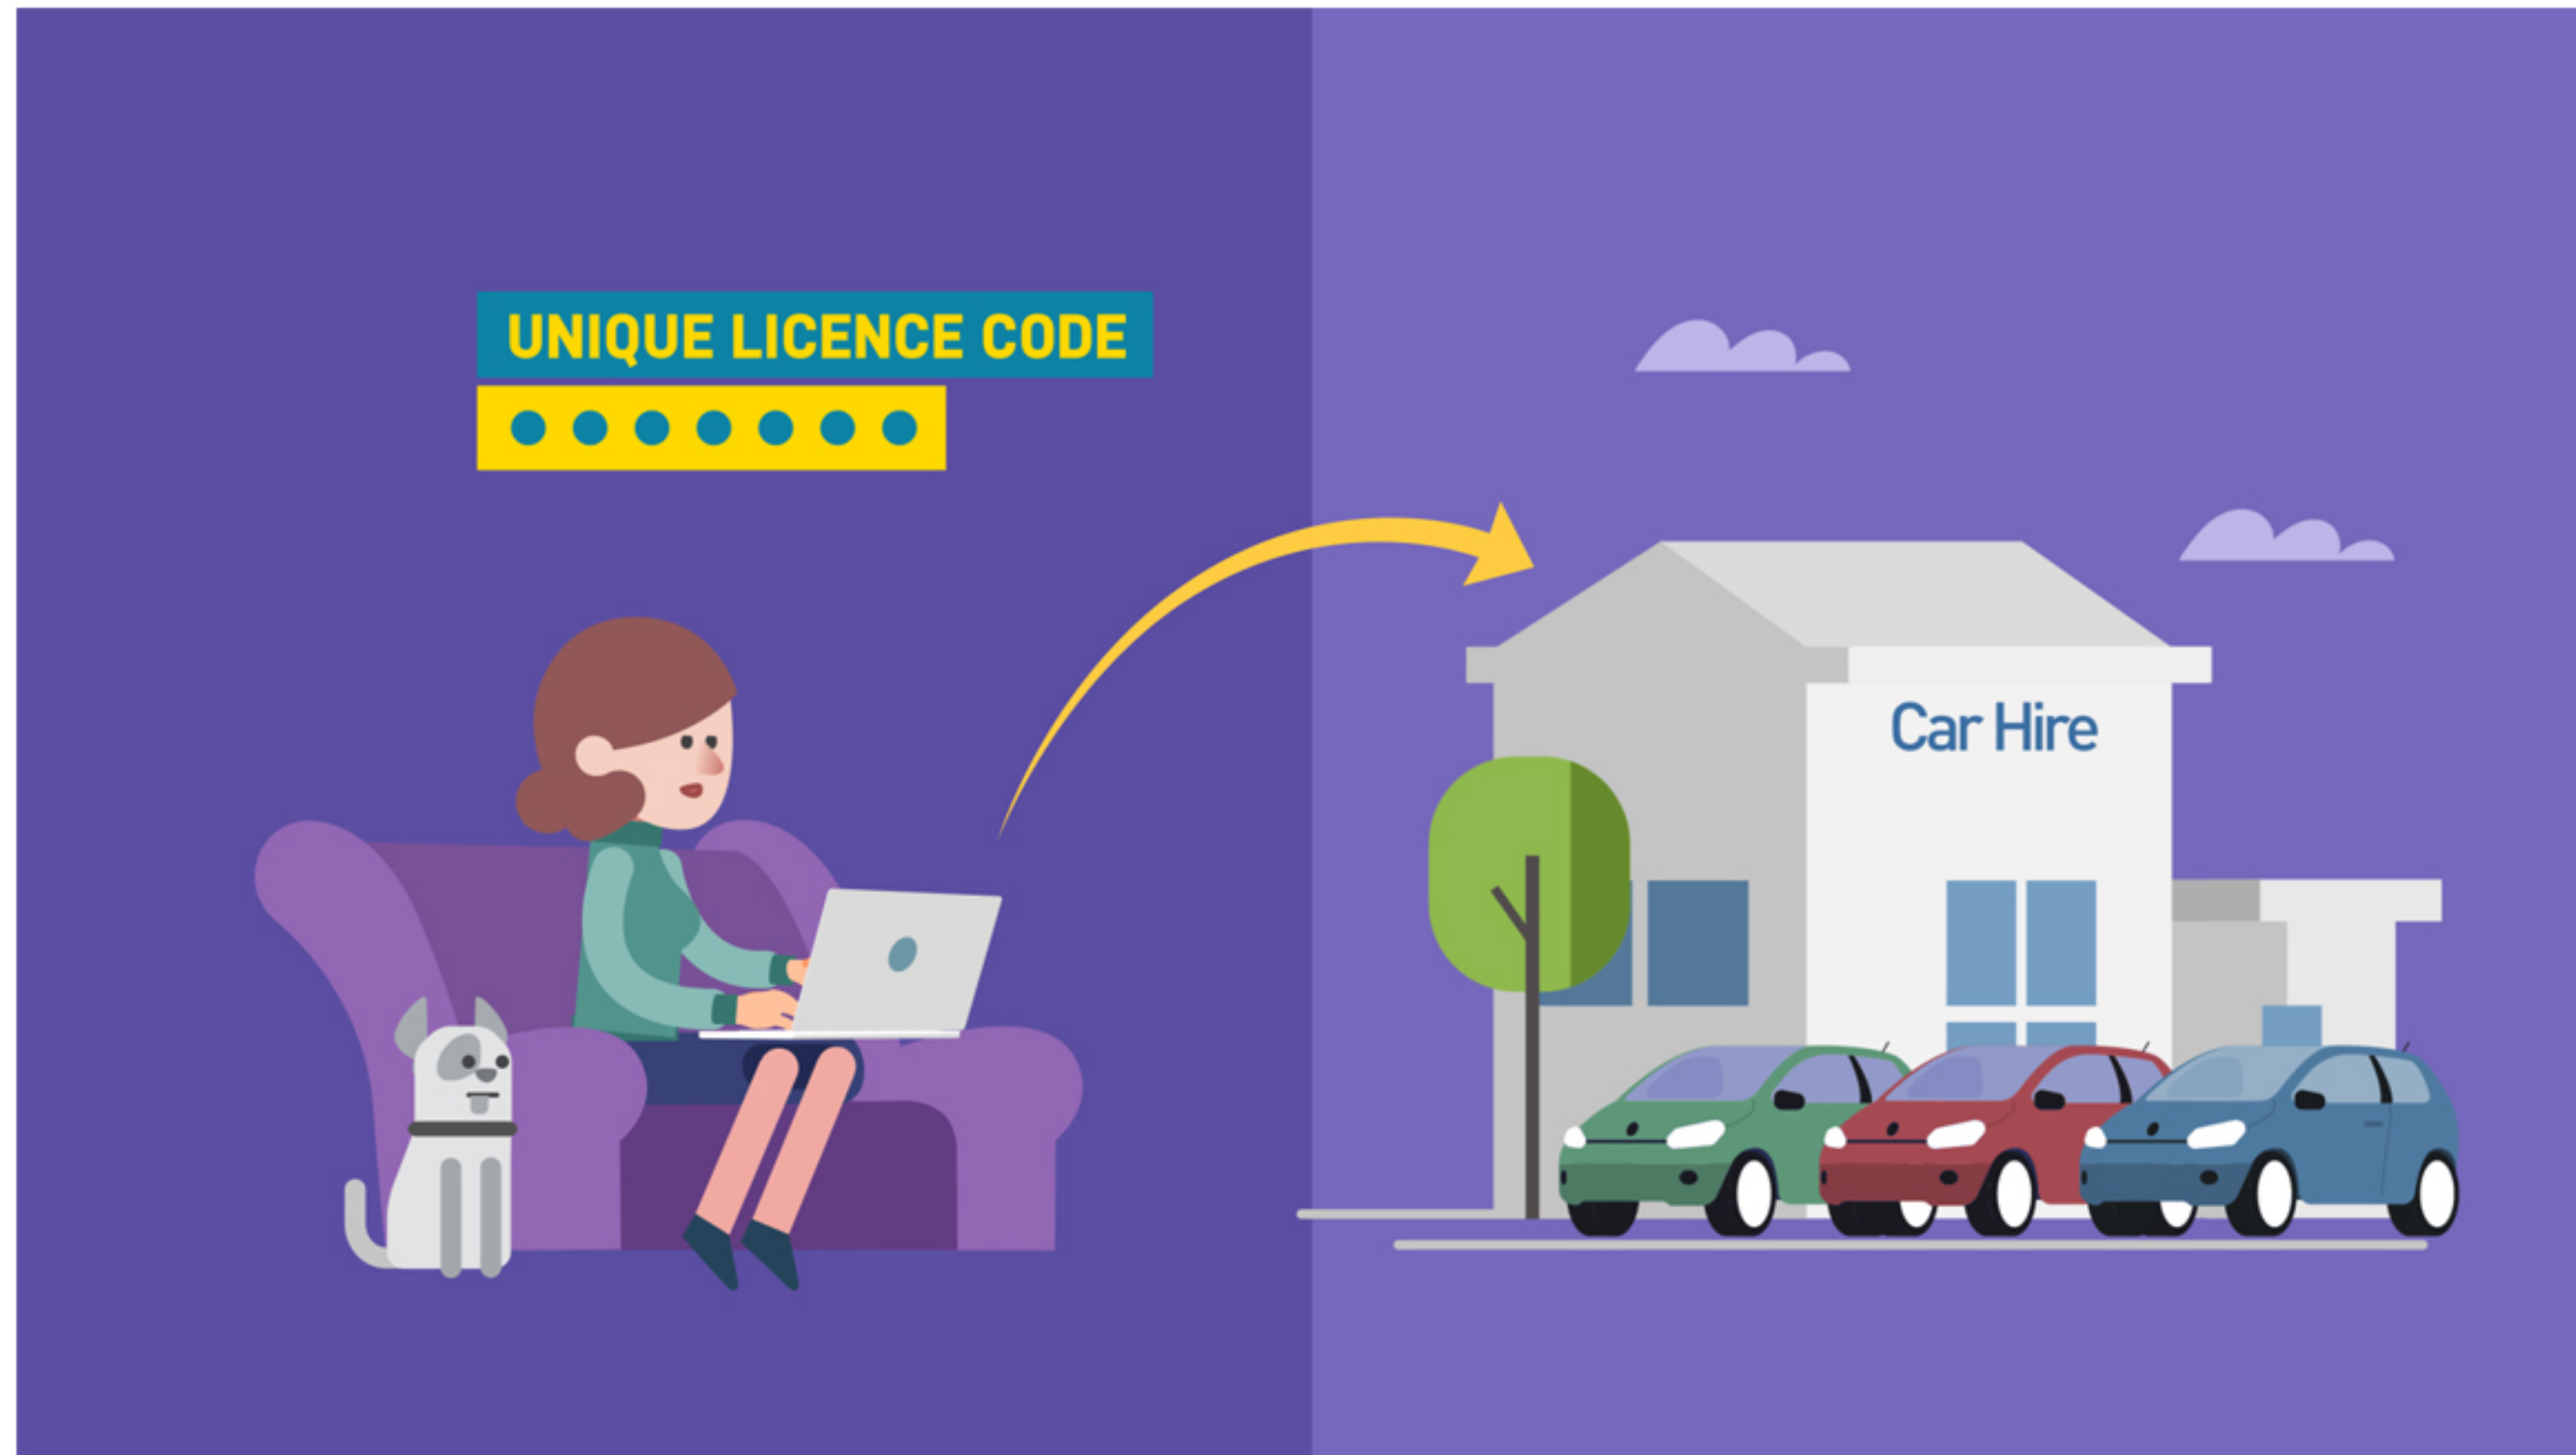

VO: ...using a unique licence check code.

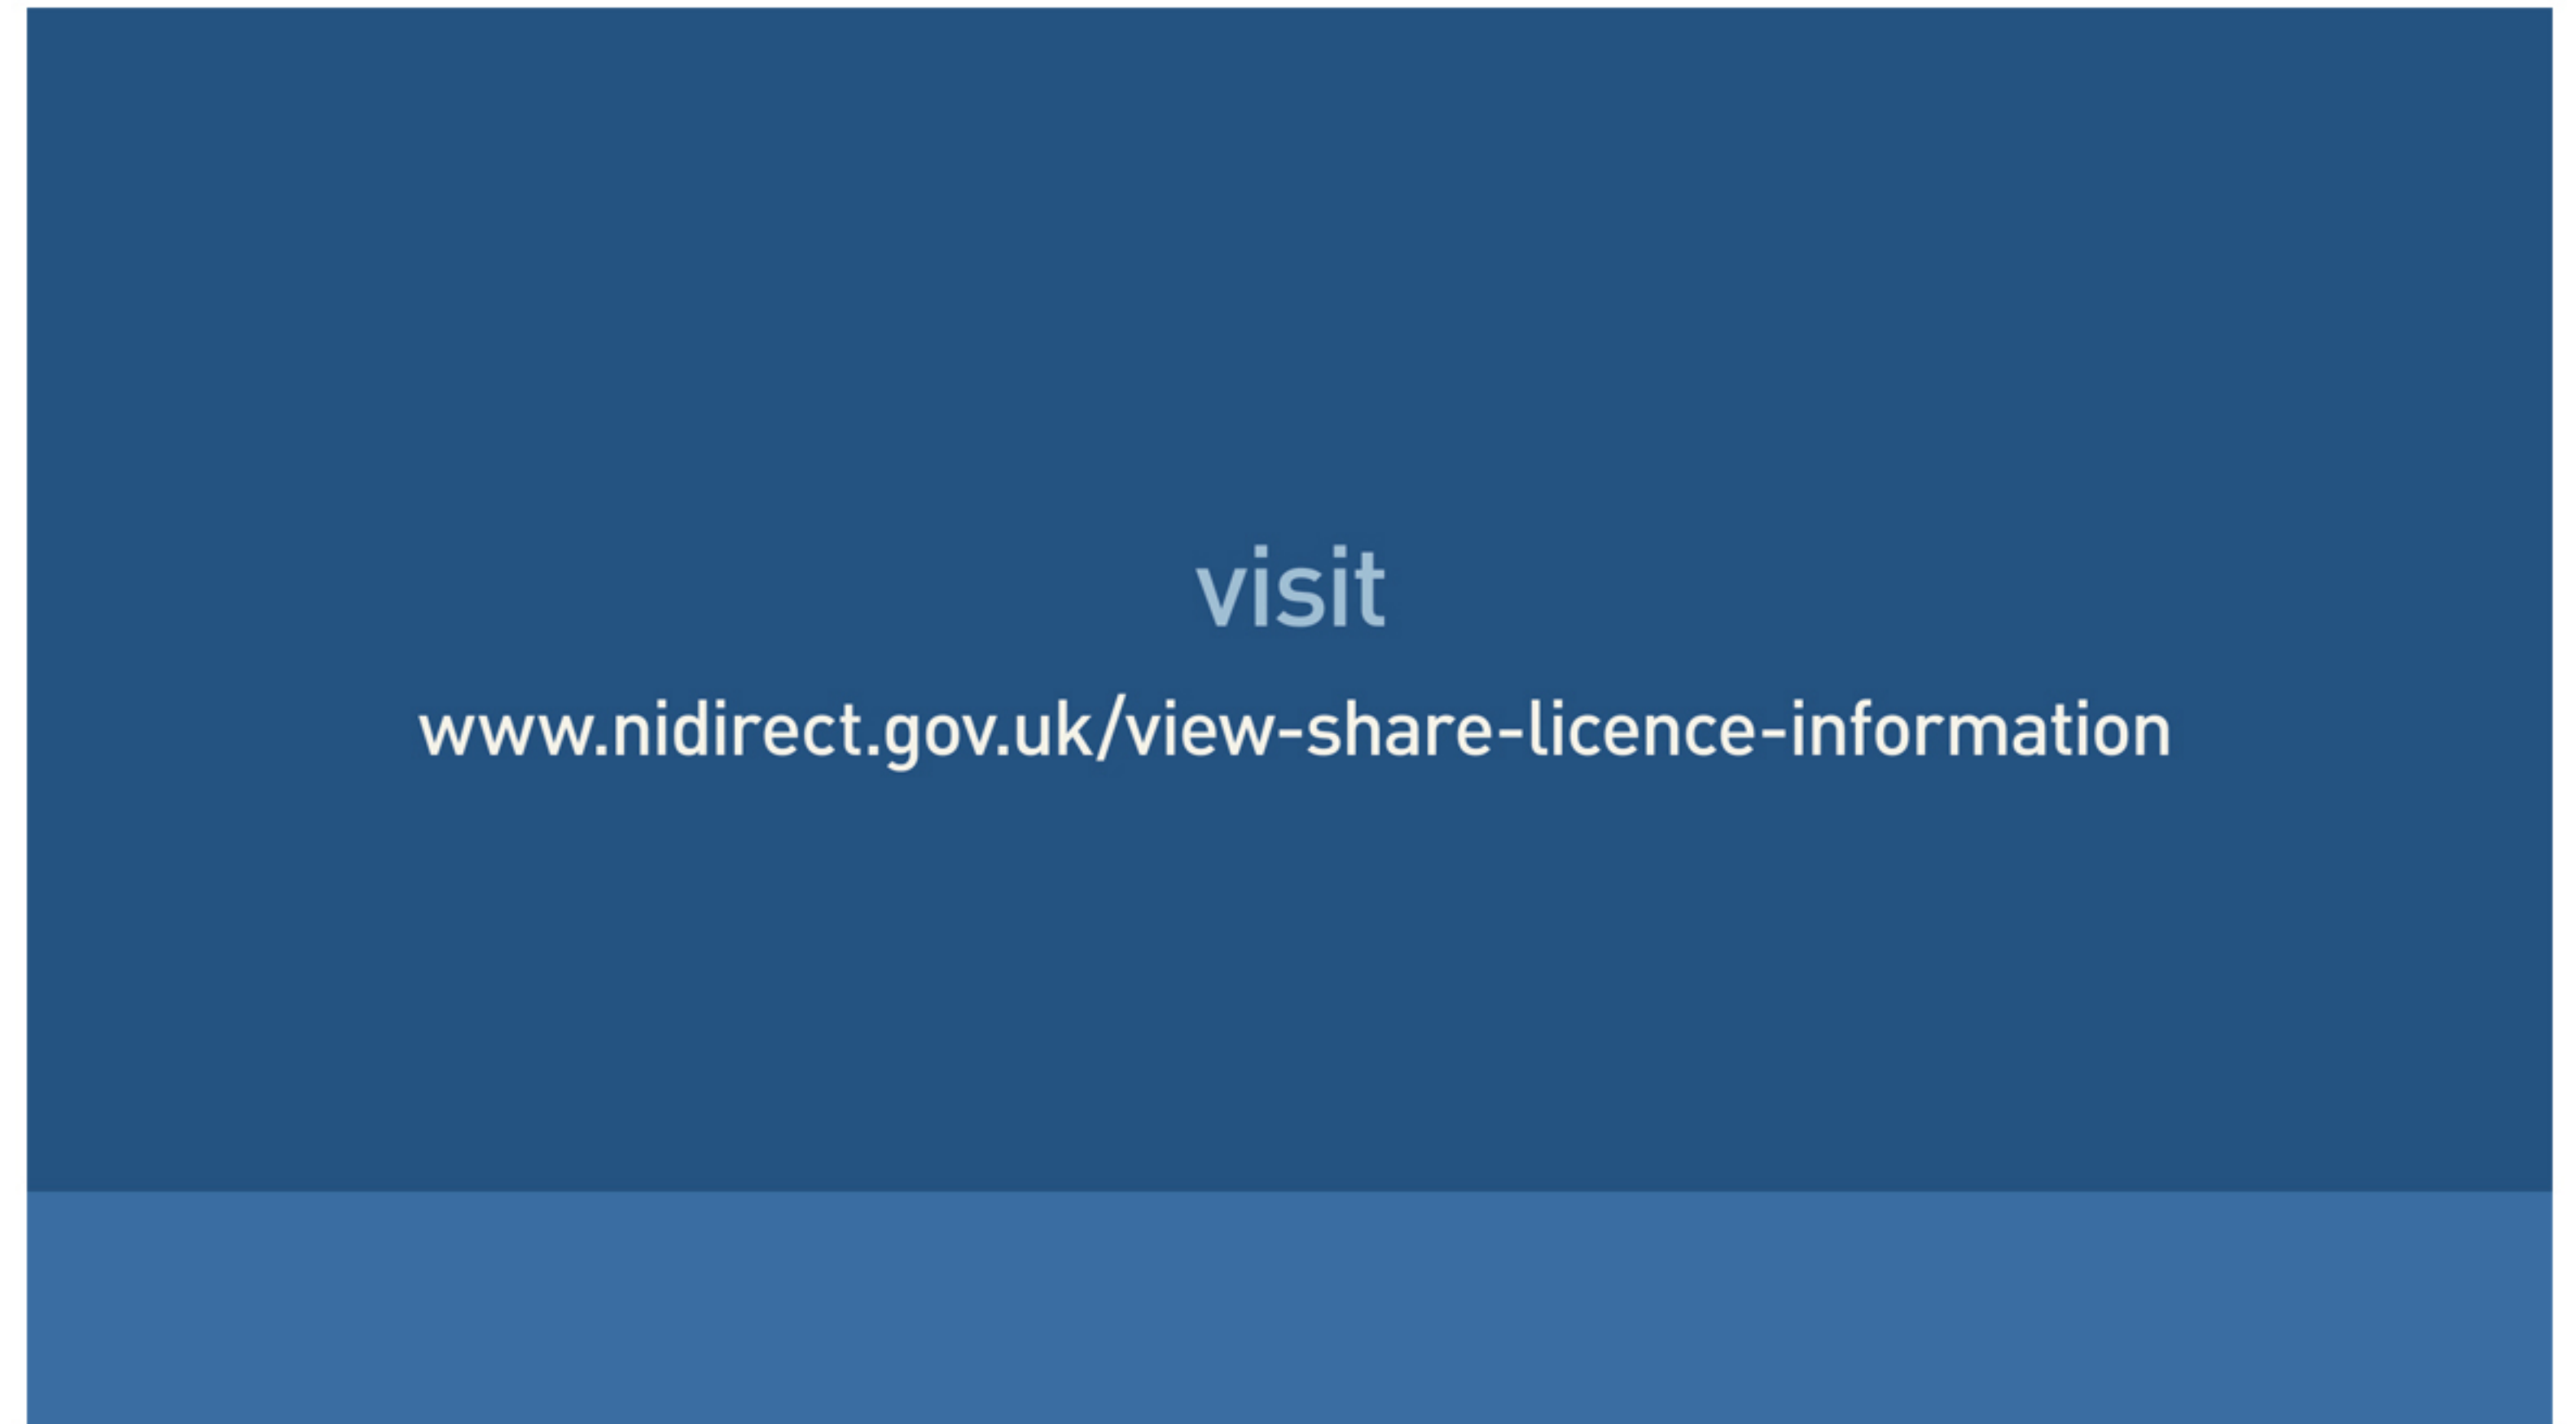

VO: You can create a code by choosing to share your licence details.'

VO: You can then choose to give this to your employer ...

VO: ...or a car-hire firm, making it easier than ever to confirm your driving licence details.
