## Profile

UK-based freelance director, DOP, and editor, available internationally. I work primarily in documentary, including both creative and branded projects, and produce stylised commercial films developed within the visual language and strategic framework of each brand.

## Professional Experience

### **Dosed Films** | 2018 – 2020

Video Editor & Camera Op In charge of the post production on projects, as well as Camera Operating during productions.

Wireless Festival | Video | 2018/20.

Reading Festival | Video | 2018/20

Timberland Construct 10061 | Doc Series | 2018/19

Piece of your Heart | Live Session Music Video| 2019

Chicken Shop Date Wireless | Social | 2018

Red Bull No Place Like Home | Series | 2018/20

### **Sawmill Productions** | 2024 – Present

Working on an ongoing contractual basis for Canadian production company Sawmill, either as an editor or flying out as a camera operator/director to collaborate on specific projects.

**Freelance Filmmaker** – Director / DP / Editor | 2020 – Present

Started freelancing during the pandemic and never looked back, working across a variety of projects, partners and fields, ultimately leading into specialising in short branded documentaries.

---

## **Selected Projects**

**Documentary | Monkey Shoulder x Worldwide FM**

*DOP, Editor* | June – November 2026

A series of branded documentaries for Monkey Shoulder Whiskey and Worldwide FM focused on uplifting and spotlighting grassroots music scenes across the world. Traveling between Germany, Ireland, Taiwan, Nigeria and India in 6 months to create 5 distinct final products and create ongoing relations with these respective artists.
