# René Bamban

Editor

## Professional Experience

**September 2021 - Present**

### Editor (Avid and After Effects)

#### ITN Business

- Edited branded stories in health, innovation, and sustainability for B2B and commercial use.
- Integrated animated explainers and motion graphics in corporate storytelling.
- Delivered final exports for cross-platform campaigns, including Youtube, Vimeo and LinkedIn.

**September 2017 - Present**

### Avid News Editor / Media Manager

#### Volant Media

- Cut news and long-form packages, managing fast-paced and sensitive editorial content.
- Integrated Mimir Mjoll for efficient media management, enhancing workflow and media sourcing.
- Notable projects include cutting documentary-style content on Iranian royals and refugee camps in Greece.

**April 2018 - November 2019**

### Lead Premiere Editor

#### Moonchik Media

- Led post on a tech-focused digital series and a separate presenter-led cooking show.
- Introduced efficient workflows (project templates, remote review).
- Shot DSLR b-roll and behind-the-scenes content for social media teasers.

**June 2014 - September 2017**

### Editor / Studio Director

#### Marjan Television Network

- Edited primetime TV content: history, game shows, and interviews.
- Directed live output; managed graphics and on-air transitions in a multilingual studio.

**September 2010 - June 2014**

### Editor

#### BAMM London

- Produced branded content for Daimler, J&J, and more.
- Shot and edited internationally—end-to-end delivery across formats.
