BIOGRAPHY

Originally from St. Louis, MO, Andrew has carved a name for himself as a distinguished cinematographer living and working in New York City. Over the past decade, Andrew's collaborations with artists and directors of varying backgrounds have gained global recognition and have resulted in nominations and awards in prestigious festivals from around the world.

In 2025 the independent pilot *F*ckups Anonymous* won the *Jury Prize at SXSW*.

In 2024 Andrew received the *Emerging Cinematographer Award* from the International Cinematographers Guild for his work on *BLOOM*.

As a proud member of ICG Local 600, Andrew works alongside the best in the industry on movies and television for major studios like A24, HBO, and Netflix.

On set, Andrew continues to promote artistry, creative growth, and inclusivity on all of his projects. Between filming you can find him exploring new cuisines, taking photographs, and hiking with his loyal dog, Mason.
