EXPERIENCE

Video Producer // University of Michigan - Stamps School of Art & Design
February 2018 - October 2021
▸ Work directly with international artists, faculty, & students to conceptualize video content.
▸ Coordinate all logistics for video shoots, including pre-production, shooting, & editing.
▸ Collaborate across a small team of specialists in a fast-paced environment with heavy output.

Videographer // Michigan Medicine
March 2019 - September 2021
▸ Create video storytelling around one of the nation's leading medical institutions.
▸ Organize video shoots alongside a team of PR practitioners and medical professionals.
▸ *Nominated for 2020 Michigan Emmy - Environment/Science - Short or Long/Form Content*

Editor // Taproot Pictures
November 2017 - January 2018
▸ Edited videos in multiple languages for an international corporate client.
▸ Served as a production assistant on various corporate commercial productions.

Videographer // Richett Media
February 2017 - October 2017
▸ Created engaging, informative videos in the fast-paced world of public relations.

Videographer // Herman Miller
April 2016 - April 2017
▸ Created complex instructional videos for Herman Miller installers.
▸ Worked closely with Herman Miller furniture experts to ensure videos met the highly technical needs of those relying on them.
