Welcome to the Gryphon Gala 2019, Crystal's annual Parent Association fundraising event and the greatest party on earth. Tonight, we step right up to celebrate Under the Big Top, right here on our marvelous Belmont Campus. Embrace your inner child and enjoy the spectacle.

After checking in, we tempt you to enjoy your choice of a Showman's Surprise cocktail or a Lion Tamer, and delight in the sideshow attractions. You will find silent and wine auctions to explore, and don't forget to purchase raffle tickets for a chance to win one of two phenomenal prizes. During all this revelry, Crystal's own Vick's Chicks and Mann's Men will perform. Then we will take you to the main event Under the Big Top where you will enjoy a delicious dinner while the ringmaster conducts a dazzling live auction where you can bid on magnificent experiences.

The funds we raise this evening support our Faculty Retention and Recruitment efforts. This unique program allows our school to offer service awards, sabbaticals and other benefits that help attract and retain our award-worthy teachers – Crystal's most valuable resource.

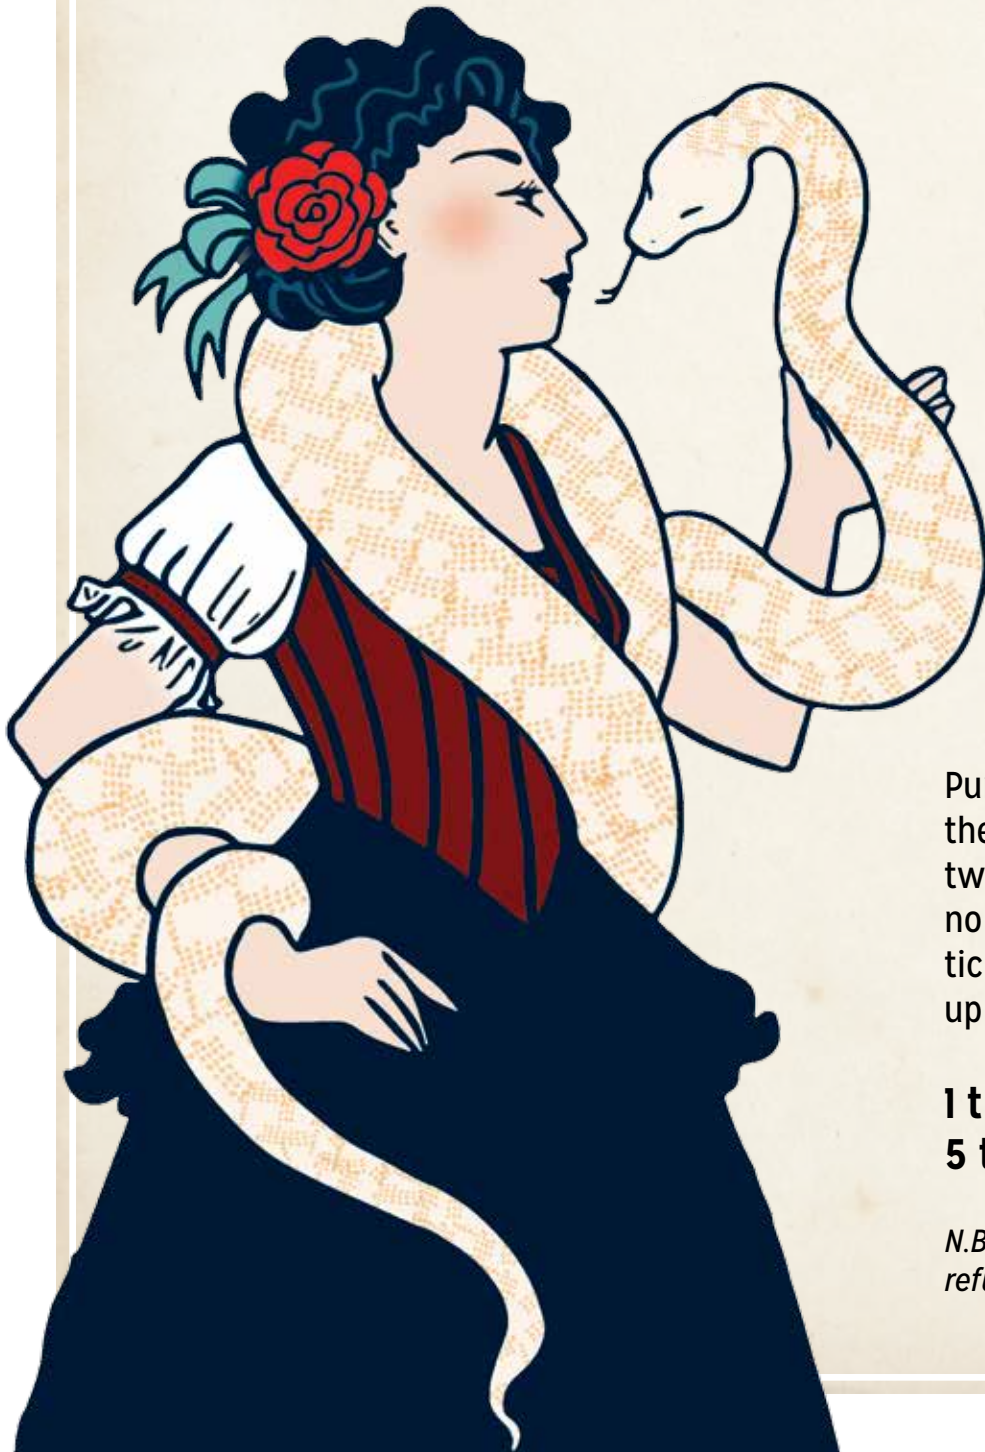

This year's Fund-a-Need, we are raising our paddles to support Crystal's Financial Aid program. One of the top initiatives of the school for the coming years is to bolster our Financial Aid budget to allow more talented students the opportunity to attend Crystal. It's hard to imagine a more impactful way to change the world than to help match motivated students with the excellence of a Crystal education. Please be generous in raising your paddle at the highest level you are able for this important and worthy initiative.

This evening would not happen without contributions from our entire troupe. We sincerely thank all the gala committee chairs and volunteers, all the Crystal parents, trustees, corporate sponsors, donors, faculty, administrators, staff, alumni families, and student performers. We are grateful and truly appreciative of all the time, effort, and auction items you contributed to our gala. Underwriters, we extend our gratitude. You helped us cover the cost of the event so that 100% of the funds raised tonight can directly support our faculty and students. Last, but certainly not the least, thank you to all who have stepped right up tonight to help us create this Spectacle in Belmont. We appreciate your participation in our raffle, auctions, and Fund-a-Need! As P.T. Barnum said, "No one ever made a difference by being like everyone else". Thank you for being the generous, supportive and inclusive community that makes Crystal the greatest school on earth.

With warmest regards,

Ellen Peck and Sandy Moore

FUND-A-NEED

FUND-A-NEED: FINANCIAL AID

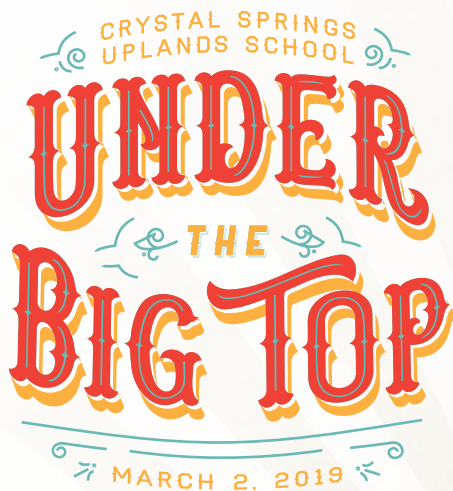

A commitment to financial aid has long been a priority at Crystal. Since our founding, the value of being a kind, caring, and inclusive community has been foundational. One of the top initiatives of the school for the coming years is to increase financial aid for talented students. In addition to the promise of transforming individual lives, this focus on financial aid and diversity also improves the learning and social environment for all our students. It's hard to imagine a more impactful way to change the world than to help match very talented students to the excellence of the Crystal education. Please be generous in raising your paddle at the highest level you are able for this important and worthy initiative.

FUND-A-NEED PRIZE

As further incentive to get everyone to raise their paddles, there will be a game during a selected portion of Fund-a-Need. Everyone who raises a paddle will be entered into the chance to win an amazing prize! The winner will be randomly selected at the end. Raise your paddle and maybe you will be the lucky bidder who wins this spectacular prize.

Generously donated by a surprise local business and Amy & Michael Liou.

AUCTION PROTOCOL

GENERAL CONDITIONS & RESTRICTIONS

- All sales are final and no exchanges or refunds are possible.
- Many of the items have specific conditions such as time limits, availability, etc. The buyer is responsible for contacting the donor for items and services. The buyer is responsible for being aware of exclusions, time limits, requirements, etc. stated on the gift certificates or donor forms. The buyer is responsible to contact donor in a timely manner, particularly when item restrictions note the necessity of making arrangements in a certain time frame. Unless a specific date is stated, all services and gift certificates expire one year from the date of the Auction on March 3, 2020; unless otherwise specified, arrangements for dinners, vacations homes or other activities will be scheduled on a mutually agreed upon date with the donor(s). Please make reservations for specific sales as soon as possible to avoid disappointment or limited availability.
- Restaurant gift certificates do not generally include gratuity, tax or alcoholic beverages, and may not be exchanged for cash unless specified otherwise. Please tip generously and express your gratitude on behalf of Crystal Springs Uplands School. Reservations may be required and are advised.
- Any hotel reservations or air transportation are on a space-available basis and subject to holiday black-out periods. Remember, you are making your reservation based on a donor's terms and restrictions.
- Payments will be processed quickly following the event. American Express, VISA, MasterCard, Cash and Checks are accepted forms of payment.
- All minimum or opening bids must be respected and no item will be sold for less than its stated minimum or opening bid.
- An attempt has been made to catalog and describe all items correctly, but everything is sold "AS IS." The respective donors have furnished all statements of value appearing in this catalog. Items purchased by a successful bidder are not warranted and/or guaranteed by Crystal Springs Uplands School. Any dispute or claim arising from the purchase is between the donor and successful bidder. Crystal Springs Uplands School recommends that you verify the value, use, restriction, and expiration directly with the donor.

SILENT AUCTION

- Each item in the Silent Auction has a Bid Sheet.
- To bid on an item, provide your bidder number next to the desired bid increment. Any bid will be disqualified if it fails to meet the minimum bid or minimum raise. The starting bid and minimum raise amounts stated on the Bid Sheet supersede what is specified in the catalog in the event of any differences. Some items may have a "Buy It Now" designation which allows bidders to automatically make a purchase at the stated price. "Buy It Now" allows bidders to ensure that they "win" an item and provide good value for the school.
- Bid carefully! Once a bid is placed, no erasure or crossing out is allowed. This is important since the person you overbid relies on that fact when shopping for other items. Please be considerate! Winning bids will be certified by an authorized Auction Committee Member. Your writing on a Bid Sheet constitutes a legal contract to buy.
- Silent Auction tables will close at 7:40pm, or as announced by the Auctioneer.
- In the event of a dispute, an Auction Chair may conduct a "mini" Live Auction between the parties and shall have sole and final discretion in determining the winning bid. Auction Chair reserves the right to move any item from the Silent Auction to the Live Auction for final sale.

LIVE AUCTION

- To enter a bid, raise your bidding number towards the Auctioneer (volunteer spotters will assist the Auctioneer in recognizing bidders throughout the room). The highest bidder acknowledged by the Auctioneer shall be the purchaser. The highest bidder shall be identified by his or her bid number.
- When an item has specified multiple users or recipients (i.e., Trustee Dinner), bidders are deemed to be bidding for a couple or one recipient only as expressly stated and acknowledged by the Auctioneer.

CHECK OUT AND PICK UP

Please check out and pick up Silent Auction purchases at the end of the evening in the gym where you checked in.
